## The Visualizer

You're the one who needs to juggle multiple projects to increase interest. The one who is always keeping things, but often have difficulty coming home and/or office may be cluttered because you always end projects going to the end. The business is your idea.

You are spontaneous, creative thinker and can be a disrupter and welcome change. You can easily be distracted by focus on the end result or dependent on which lead up to that end result.

When working with groups of people, Visualizers are great if they aren't organized. Visualizers also often like to enhance the project and are quick to see

the Visualizers, listening skills and hearing needs. Visualizers are those without growing too focused on
