Catholic Answers to Fundamentalist Questions William George Most,1995 **101 Questions and Answers on the Bible**

Raymond E. Brown,2003-09 A noted biblical scholar s concise responses to a wide range of the questions most frequently posed to him about the Bible **Satan's Strategy to Curse Christ's Congregation** Dr. Keith A. Sherlin,2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

Shea,2004-03-04 One of the most intriguing questions in contemporary American Christianity is whether the recent warming of relations between Catholics and conservative evangelicals promises a thaw in the ice age that has lasted since the sixteenth century American evangelical Protestants and Roman Catholics have hated and suspected one another since colonial times In the twentieth century however each community has experienced radical change and this has led to a change in the relationship between the two In this book William Shea examines the history of this troubled relationship and the signs of potential reconciliation His springboard is the recent publicity given to the 1993 document Evangelicals and

Catholics Together in which several well known figures from each camp acting as individuals signed a statement affirming much more common theological and social ground than any other American Catholic evangelical group had ever done Looking back Shea surveys the long and very bitter history of published recriminations that have flown back and forth between Catholics and many kinds of Protestants since the 16th century He makes the case that Catholics and conservative Protestants reacted along parallel lines to western modernity especially naturalistic evolution and higher criticism of the Bible That deeper history leads him to the more recent history that has partially overcome the severe Catholic evangelical antagonisms Here he focuses on the rise of neo evangelicals associated with Billy Graham and the National Association of Evangelicals and on the changes with the Catholic church since Vatican II He goes on to offer systematic interpretations of recent evangelical literature on Catholics and Catholic literature on evangelicals The book ends with some historical but also theological social and personal conclusions This accessible groundbreaking and timely study will be indispensable reading for all interested in the religious landscape of America today National Catholic Welfare Council Bulletin ,1922 America ,1923 The Jesuit review of faith and culture Nov 13 2017 *Journal of Ecumenical Studies* ,1989 **Books Out Loud** ,2007
