Catholic Bible Guide 2015:

The Gospel Truth Patrick T. Rhoads, 2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian This work exposes the lie to such skepticism This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels The arguments rely solely upon reason and objective criteria to substantiate their conclusions This fast paced work by a nuclear engineering executive with more than thirty five years of experience will defy expectations Rigorous and systematic this apologetic work is curated with verve energy and wit It will pique the interests of academics and lay audience alike by answering these questions Why is the resurrection a necessary but not sufficient condition for the rise of Christianity Who founded Christianity Hint it was not Saint Paul as many suppose Why did the church retain all of the Hebrew Bible even though only a small fraction pertains directly to the New Testament How does the church rectify the necessity of justice with the virtue of mercy Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible At the end of the book readers will ask the same question about Jesus that Jesus asked of the apostles Who do you say that I am *The Books of Daniel & Revelation Unveiled* Liliane Binnyuy, 2017-04-16 Understand every chapter and vision in the Book of Daniel and the Book of Revelation In this book we identify the mark of the beast the timing of the rapture the history of Islam and the church The LORD s return is near Wake up sleeping Christian This is not the time to care much for self pleasure It is a time to stand strong in faith This book is A MUST READ FOR EVERY CHRISTIAN **Biblical Foundations for the Role of Healing in Evangelization** Mathias D. Thelen, 2017-12-07 It s almost undeniable that God is working miracles of healing in evangelization today For theologians pastors and evangelists some questions arise What is the relationship between physical healing and the message of salvation Should the church really expect God to do healings in evangelization today Father Thelen answers these questions by examining the relationship between the preaching of the gospel and physical healing in the New Testament The gospel of Jesus Christ is not simply a message of fact it is a message of power that is often expressed through the working of deeds that serve as signs of the reality preached salvation As signs of the kingdom healings that accompany the preaching of the gospel play an indispensable role in bringing people to faith throughout the New Testament The result of this biblical study is a clarion call for the church to renew its faith in God s desire and power to confirm his word through healing As healing becomes more accepted and frequent in evangelization a Catholic biblical and theological approach to healing as it relates to evangelization an approach that can be different from its Protestant counterpart is necessary This modest book fits this need [The Bible's Greatest Hits](#) Henry G. Brinton, 2021-07-09 From the creation story of Genesis to the new heaven and new earth of Revelation The Bible s Greatest Hits contains the top sixty six passages in Holy Scripture Presbyterian pastor and novelist Henry G Brinton invites readers into discussion and debate as he reveals the significance of these passages and connects them to contemporary life Some readers will disagree with Brinton s selections

just as music fans dispute the choices on a greatest hits album but all will gain a new appreciation for the richness of scriptural insights found in the full range of biblical books from the well known to the obscure Written for both private devotion and group discussion The Bible's Greatest Hits includes the best in biblical scholarship as well as practical connections to daily life along with questions for reflection at the end of each chapter The book gives Christian youths and adults an introduction to the major characters and stories of Holy Scripture as it links their daily lives to the Bible's most important moral and theological insights Readers will gain the satisfaction of increased biblical literacy while being shaped by the most transformative passages from Genesis to Revelation in the course of their ongoing faith development **Lectio**
