Research, University of California,
Berkeley**

Catholic Lectionary 2015:

How Catholics Encounter the Bible Michael Peppard, 2024 In *How Catholics Encounter the Bible* award winning biblical scholar and historian Michael Peppard explores the paradoxical role of the Bible for Catholics a book central to their tradition but one which Catholics rarely read Instead as Peppard shows biblical ideas influence Catholics through diverse modes of storytelling artistic imagination and ritual Through examples of pilgrimage visual arts poetry music and even on Netflix Peppard shows how the Bible thrives among Catholics even if its printed text may be missing *Possessed by the Virgin* Kristin C. Bloomer, 2018 *Possessed by the Virgin* is an ethnographic account of three Roman Catholic women in Tamil Nadu south India who claim to be possessed by Mary the mother of Jesus The author follows the lives of these women over many years investigating questions about gender social power agency and authenticity From Page to Proclamation Clare Schwantes, 2024-11-19 This pioneering work invites readers to embark on a transformative journey through the heart of liturgical worship and scriptural proclamation It introduces a new tier to biblical hermeneutics exploring the ways in which the liturgical event and the ecclesial community color the interpretation of Scripture Weaving together insights from Gadamer's philosophical hermeneutics with the rich tapestry of Catholic liturgy the author proposes that the meaning of a proclaimed Scripture passage emerges not from an analysis of the text itself but in the vibrant interplay of multiple horizons Bible Lectionary homilist and worshiper Through a lens of play and festival the intricate relationship between tradition and contemporary worship is explored showcasing how the sensory richness of the Catholic liturgy shapes the interpretation of Scripture It challenges readers to view the Lectionary as a living text intimately connected to the worshiping assembly and the modern world This thought provoking work offers both theoretical insights and practical implications for scholars clergy and worshipers alike It inspires a fresh perspective that resonates with the contemporary Catholic experience guiding worshipers toward a profound engagement with Scripture in the dynamic event of liturgical celebration **Workbook for Lectors, Gospel Readers, and Proclaimers of the Word** © 2016 Canada , **Moments & Days** Michelle Van Loon, 2016-09-01 Michelle Van Loon helps us treasure our time as a gift and a spiritual responsibility and God as faithfully present in all our moments and days People rarely slow down to experience their days and so they feel rushed through life even as they begin to suspect that life lacks significance By introducing and reintroducing us to the feasts and festivals of the Bible as well as the special celebrations of the Christian calendar *Moments and Days* restores a sacred sense of time throughout our year enriching our experience of each holy day and enlivening our experience of even the most ordinary time **The Moral Vision of Proverbs** Timothy J. Sandoval, 2024-04-16 Wisdom literature is an unfamiliar genre to modern readers and presents many interpretive challenges In this major new work respected wisdom scholar Timothy Sandoval argues that the book of Proverbs though difficult to access for some provides a coherent moral vision for human flourishing The approach Sandoval argues for in *The Moral Vision of Proverbs* is that of virtue ethics or character ethics particularly that

which emerges from the classical tradition of Aristotle as opposed to reading the book intentionally or unintentionally through the lenses of modern ethical systems Sandoval engages with specialists in this ethical tradition as well as biblical scholars to make his case that Proverbs is an ancient virtue oriented moral discourse This comprehensive critical study of Proverbs analyzes the book s major topics and strives to discern the moral and philosophical presuppositions and logic of its rhetoric all the while engaging past and present interpretive approaches Although authored by a Christian scholar this text will be of great interest to a broadly ecumenical audience whether students of the Old Testament Tanakh Hebrew Bible biblical scholars or Christian ethicists and moral theologians

You Have a New Friend Request Brent Craine,2016-12-14 The thoughts in this book have been taken from thoughts that I have had after doing my daily scripture readings I have taken all my thoughts from the year 2015 as I have written them each morning and posted on Facebook Most people that take the time out of their day to read these posts have asked me to bring them together into a book My goal is that you will find some thoughts and prayers that you will be able to better your life and help to change who you are I hope you enjoy the thoughts I have put to paper and that they cause you to think about what you truly believe My goal has always been to open peoples minds about their thoughts on God and I hope you start to think more about how God has played a part in your life even when you didnt think about him May God bless you and be with you as you reflect on these
