The book doesn't reference abstract studies or bore you with statistics and has three parts. The first section Heart focuses on inspiring stories of DSPs and the wonderful outcomes they achieve working with people with IDD. The second part Hope provides details of our DSP Magnet program and step by step actions providers can apply now with existing resources. The third section Honesty looks at longer term options for providers that do not rely on more government funding. What others are saying Craig and Scott have cracked the code. They do it through a masterful use of storytelling teaching and sharing real world results. There are no magic answers but Heart Hope Honesty shows you a smart new path to recruit retain and build a culture that will transform your organization and the lives of those you support. John Dickerson CEO Quillo spent 42 years with The Arc. Provider friends please order the book today. I read it cover to cover and it's just spot on. James W Steele Executive Director Ohio Valley Residential Services. I loved the book. The stories about DSPs and people we support are great and there's nothing like this out there.
