

The background image shows the interior of a rustic stone building. The walls and floor are made of rough-hewn stones. The roof is made of dark wooden planks with visible wooden beams. A rectangular skylight in the center of the roof lets in bright, natural light, which creates a strong highlight on the stone floor. Through the stone walls, green foliage is visible outside.

Cathedral Illness Healing Bill Henderson:

Cathedral Bill Henderson, 2015-12-01 This is the story about an aging man who builds a holy place in his backyard It involves bugs lousy weather cancer and spiritual waverings Thus begins Bill Henderson s Cathedral An Illness and a Healing a memoir about cancer and construction On the face of it Cathedral is most akin to Henderson s Tower Faith Vertigo and Amateur Construction FSG a Thoreau esque chronicle of building a tall structure on the grounds of his hilltop property in Maine But Cathedral is more overtly a spiritual memoir like his Simple Gifts One Man s Search for Grace S S a tribute to the pleasures of singing hymns Like all his books Cathedral is equal parts wisdom self deprecation laughs aching honesty and inspiration And like his cathedral itself it is lovingly constructed A Matter of Death and Life Alice Aldrich

Hildebrand, 2025-05-21 A memoir of caregiving for the author s elderly father in his last years this book is also about the loss of a beloved career as a hospital chaplain and a reflection on the many deaths experienced throughout life Family dysfunction and fierce love recovery from addiction regret and guilt thanksgiving and hopefulness are woven through the saga of accompanying an infuriating deeply loved parent to his death The timeline of this memoir intersects with the beginning of the COVID pandemic which made everything more complicated Because the author is a pastoral theologian and preacher biblical reflection is woven into the narrative as well as reflections on mortality from other sources Throughout the author probes deeply into the realities of her own aging and death providing insights that will be helpful to thoughtful readers of all ages as well as to other caregivers *Congressional Record* United States.
