**Cavalry in Future Wars** Friedrich Bernhardi,2015-05-19 I ventured to express the opinion in my book With General French and the Cavalry in South Africa that if a high ideal of the duties and possibilities of Cavalry is set before our officers and the means of instruction and training are placed within their reach we shall possess in our next great War a force which if led by men of the stamp of General Sir John French will prove to the world that the day of Cavalry is far indeed from being past      Cavalry in Future Wars - War College Series Friedrich Von Bernhardi,Charles Sydney Goldman,2015-02-24 This is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics The collection spans centuries of thought and experience and includes the latest analysis of

international threats both conventional and asymmetric It also includes riveting first person accounts of historic battles and wars Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world As with any reproduction of a historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc We believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections We hope you enjoy the unmatched breadth and depth of this collection from the historical to the just published works    **Cavalry in Future Wars - War College Series** Friedrich von

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
