English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades 6-8. Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

language skills articulated in the CCSS for ELA [RTI in the Common Core Classroom](#) Sharon Vaughn, Philip Capin, Garrett J. Roberts, Melodee A. Walker, 2016 Schools and teachers have struggled to integrate Common Core State Standards CCSS into their local Response to Intervention RTI systems. This book offers an adaptable framework and practical tips to assist educational professionals charged with making this connection in their schools, districts and classrooms for English language arts. Based on years of experience we know that students perform best when provided with research based instruction, frequent progress monitoring and timely and targeted interventions. Focusing on what the research tells us about how children learn this highly practical guide can serve as the core of language arts instruction. RTI in the Common Core Classroom will guide today's classroom teachers, reading coaches and administrators in their efforts to support all students in meeting literacy standards including individuals with mild to moderate disabilities. Book Features: A research based innovative approach for implementing RTI and the Common Core curriculum. Effective teaching and assessment practices in foundational reading skills: reading comprehension and writing. User friendly design including research highlight boxes, recommended reading lists, questions for professional learning communities, prompts, sample assignments, student writing excerpts, a Q & A section and a trait weighting table. Sharon Vaughn is the perfect classroom expert to help teachers mesh the requirements of any RTI program with high standards whether they be CCSS state or local. Susan B. Neuman, New York University: Teaching to the unique abilities of an increasingly diverse group of students is a persistent challenge in public education. Whether used in a Common Core classroom or school system, Dr. Vaughn's new book is yet another invaluable tool for teachers and leaders to use RTI to accelerate achievement for all students. Larkin Tackett, executive director, Austin Region IDEA Public Schools [Reading Intervention in the Primary Grades](#) Heidi Anne E. Mesmer, Eric M. Mesmer, Jennifer Jones Powell, 2014-01-13 Accessible and teacher friendly this book provides a blueprint for planning, delivering and evaluating small group interventions for struggling readers in PreK-2. It describes how to set up an efficient response to intervention RTI system that enhances any reading program already in place in a classroom and that is fully compatible with the Common Core State Standards. Presented are dozens of easy to implement Tier 2 intervention activities in the areas of letter learning, decoding and fluency complete with reproducible goal setting sheets and fidelity checklists. Purchasers get access to a Web page where they can download and print the reproducible materials in a convenient 8 1/2 x 11 size. [Puzzle Piece Phonics Teacher's Guide](#) Carolyn Banuelos, 2018-04 Welcome to Puzzle Piece Phonics. We are very excited to share our love of word study with you. We are three teachers who developed this comprehensive resource when we worked together through the transition from the North Carolina Standard Course of Study to the Common Core State Standards CCSS. It came about from a moment of near panic when we were sitting at a table in the library after school and it seemed to hit us at the same time how much more the CCSS expected of students. We looked at each other and wondered how are we ever going to get our kids from here to there. But then we called on our various strengths, our creativity, our curricular understanding, our practicality.
