## Cli Fi Novel Social Buzz:

Putting Social Justice and Equity at the Heart of Reading for Pleasure Jane Carter,2025-03-31 This essential book discusses what reading for pleasure is and what it is not introducing some fundamental ideas about how we learn to read and how this process can impact a child's identity as a reader in classrooms that promote equality inclusion and diversity The profile and importance of Reading for Pleasure has grown significantly over the last few years and is now firmly embedded in both government policy and the Ofsted framework Developing a Reading for Pleasure school that is truly inclusive of the whole school community however can require a culture shift in relation to the teaching of reading representation in the reading environment and the knowledge and attitudes of the school community This book seeks to use the current research teacher case studies and the voices of children to address some of the issues that teachers and pre service teachers

encounter when trying to develop an inclusive Reading for Pleasure culture within their schools Each chapter is co authored by teachers and researchers and includes case studies and children's perspectives It provides practical and evidence based advice lesson ideas and creative ideas to both support and challenge all school leaders staff and student teachers in their journey to create readers rather than children that can just read

*Bees, Science, and Sex in the Literature of the Long Nineteenth Century* Alexis Harley,Christopher Harrington,2023-11-07 The long nineteenth century 1789 1914 has been

described as an axial age in the history of both bees and literature It was the period in which the ecological and agronomic values that are still attributed to bees by modern industrial society were first established and it was the period in which one bee species the European honeybee completed its dispersal to every habitable continent on Earth At the same time literature which would enable represent and in some cases repress or disavow this radical transformation of bees fortunes was

undergoing its own set of transformations Bees Science and Sex in the Literature of the Long Nineteenth Century navigates the various developments that occurred in the scientific study of bees and in beekeeping during this period of remarkable change focusing on the bees themselves those with whom they lived and how old and new ideas about bees found expression in an ever diversifying range of literary media Ranging across literary forms and genres the studies in this volume show the ubiquity of bees in nineteenth century culture demonstrate the queer specificity of writing about and with bees and

foreground new avenues for research into an animal profoundly implicated in the political economic ecological emotional and aesthetic conditions of the modern world

The Oxford Handbook of New Science Fiction Cinemas J. P. Telotte,2023 Essays in The Oxford Handbook of New Science Fiction Cinemas address the impact of new theoretical approaches and recent cultural attitudes on a changing science fiction cinema Essay topics include but are not limited to Afrofuturism biopunk science fiction feminist science fiction heterotopic spaces steampunk cinema ethno Gothic films superhero cinema queer theory and posthumanism

**The Performance Apparatus** Branislav Jakovljevic,2025-04-15 The publication of Louis Althusser's 1969 article Ideology and Ideological State Apparatuses made a deep impact on cultural studies and was

instrumental in the formation of the apparatus theory in film studies While contemporaneous with the emergence of performance art this article and the questions of ideology and apparatus it raises barely registered in the field of performance studies which was then in its formative phase Jakovljevi takes this absence of Althusser's apparatus theory from performance studies as an indicator of the ideological position of the field at the moment of its emergence arguing that while theories of ideology played no major role in early performance studies performance art itself offered a number of incisive critiques of ideology Jakovljevi looks at permutations of the apparatus by investigating the work of theorists such as Louis Althusser Michel Foucault Gilles Deleuze and Judith Butler and engagements with the apparatus by a number of artists such as Amiri Baraka Philippe Thomas New York Art Language Terry Fox Every house has a door Clive Robertson and Cassils Jakovljevi suggests that the centrality of behavior in early performance theory is important for the understanding of contemporary society which is dominated by surveillance capitalism If ideology is lodged in behaviors and if surveillance capitalism thrives on the monetization of the behavioral surplus then performance theory can make significant contributions to our understanding of the moment in which we live and the future we are facing The Performance Apparatus argues for the importance of continuing attention to the question of ideology in contemporary neoliberal order
