## Crack Pie Target:

**Soft Target** Mia Kay, 2015-11-16 Wounded FBI agent Gray Harper will honor his dead partner by returning to work as soon as the Bureau shrinks him for duty. In the meantime, a long vacation in his best friend's hometown sounds like the perfect distraction. But Nate Mathis has another plan. His twin sister Maggie has a stalker, and Gray's the only one Nate trusts to catch the bastard. Admitting she's scared would bring the cavalry, and Maggie Mathis has always taken care of herself. She certainly doesn't need a bodyguard. As far as she knows, Gray's in town to work as the Mathis family's new business manager. That she's always found her brother's friend handsome is something she'll keep to herself. Gray's real job would be a lot easier if he didn't have to keep his intentions from Maggie. It would also be easier if he didn't want to sleep with her. He certainly shouldn't have kissed her good night. There never should have been a second date. All too soon, the line between responsibility and pleasure blurs. Gray hates to think of Maggie in danger. He hates that he thinks about Maggie too much, and of the day he won't be there to protect her. Secrets aren't easy to keep from those you love, but Gray needs to guard several with his life before he risks losing Maggie forever.
