TikTok Cultures in the United States Trevor Boffone,2022-04-03 TikTok Cultures in the United States examines the role of TikTok in US popular culture paying close attention to the app s growing body of subcultures Featuring an array of scholars from varied disciplines and backgrounds this book uses TikTok sub cultures as a point of departure from which to explore TikTok s role in US popular culture today Engaging with the extensive and growing scholarship on TikTok from international scholars chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context examining topics such as gender and sexuality feminism race and ethnicity and wellness Shaping TikTok as an interdisciplinary field in and of itself this insightful and timely volume will be of great interest to students and scholars of new and digital media social media popular culture communication studies sociology of media dance gender studies and performance studies Media Conrad Riker, Why Modern Media Wants You Weak And How to Fight Back Do you feel media today undermines your values ambitions and role as a man Are you tired of being told masculinity is toxic while society still demands you lead protect and sacrifice What if you could reclaim control of the narrative and your identity from those who profit by silencing you Expose the 500 year history of media s male dominated roots and why elites now want you to forget it Learn how woke corporations manipulate algorithms to erase male driven stories Discover the data backed link between social media and rising male suicide rates Reverse engineer the tactics of icons like Roosevelt Rogan and Tate to command respect Unlock the hidden psychology behind viral memes podcasts and beta male traps Debunk fake news narratives weaponized to shame male skepticism Rebuild your mental armor against media that profits from your doubt and division Turn weakness into leverage Why vulnerability is a scam and how to weaponize discipline instead If you want to dominate the narrative instead of being dominated by it buy The Alpha Blueprint today before they ban it Carbon Capture and Storage in the United Kingdom Marc Hudson,2024-03-27 This book is a concise but comprehensive guide to the history present and possible futures of carbon capture and storage policy and action in the United Kingdom UK There have been multiple failed starts promises and last chances for carbon capture and storage CCS in Europe North America China and Australia but thus far it has repeatedly collided with the political and economic realities that the technology is too expensive and complicated to gain and keep policymakers support However in the UK that might be changing with explicit government support for CCS to help decarbonise industry Set within the broader context of global interest in CCS this book first outlines the technologies involved in the types of capture technology transport options and storage options in the UK It then briefly

introduces an overarching policy analysis framework John Kingdon's multiple streams approach and uses it to give an account of the long history of CCS interest and efforts in three chapters covering the 1970s to 2002 2003 to 2015 and 2016 to the present day Marc Hudson focusses on the various arguments made for the introduction of CCS and the slowly shifting coalitions of actors who make those arguments while contrasting these with the perspectives of those opposed to CCS This book will be of great interest to students scholars and policymakers researching and working in the field as well as the related areas of energy policy energy transitions and climate change

Filterworld Kyle Chayka, 2024-01-16 A MOST ANTICIPATED BOOK From New Yorker staff writer and author of *The Longing for Less* Kyle Chayka comes a timely history and investigation of a world ruled by algorithms which determine the shape of culture itself *Filterworld* is about how algorithms changed culture Chayka asks what is taste What is a sense of aesthetics And what happens to it when it collides with the homogenizing digital reality in which we now live Ezra Klein From trendy restaurants to city grids to TikTok and Netflix feeds the world round algorithmic recommendations dictate our experiences and choices The algorithm is present in the familiar neon signs and exposed brick of Internet cafes be it in Nairobi or Portland and the skeletal modern furniture of Airbnbs in cities big and small Over the last decade this network of mathematically determined decisions has taken over almost unnoticed informing the songs we listen to the friends with whom we stay in touch as we've grown increasingly accustomed to our insipid new normal This ever tightening web woven by algorithms is called *Filterworld* Kyle Chayka shows us how online and offline spaces alike have been engineered for seamless consumption becoming a source of pervasive anxiety in the process Users of technology have been forced to contend with data driven equations that try to anticipate their desires and often get them wrong What results is a state of docility that allows tech companies to curtail human experiences human lives for profit But to have our tastes behaviors and emotions governed by computers while convenient does nothing short of call the very notion of free will into question In *Filterworld* Chayka traces this creeping machine guided curation as it infiltrates the furthest reaches of our digital physical and psychological spaces With algorithms increasingly influencing not just what culture we consume but what culture is produced urgent questions arise What happens when shareability supersedes messiness innovation and creativity the qualities that make us human What does it mean to make a choice when the options have been so carefully arranged for us Is personal freedom possible on the Internet To the last question *Filterworld* argues yes but to escape *Filterworld* and even transcend it we must first understand it
