This volume is one of a series of bibliographies on the books of the Bible. This is the first volume of the series of bibliographies described in the series introduction; in this case on the Book of Daniel in the Old Testament OT or the Hebrew Scriptures fTanakh. Scholars for these bibliographies have been drawn from across the Judeo-Christian perspective as well as across doctrinal perspectives. These bibliographies should be of value to students and faculty, to laity and professionals, to religious and academic groups, for undergraduate and graduate study. They should serve a significant role as reference works in libraries for the public, the university, and religious groups, as well as individuals.

A Look at the Book Charles R. Swindoll, 1994-06 The goal of this study is to gain an overall perspective of the Bible and to understand its flow and how each

part relates to the other **Daniel** Todd Wilson,2015-06-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God s Word These 12 week study lead participants through books of the Bible and are made up of four basic components 1 Reflection questions help readers engage the text at a deeper level 2 Gospel Glimpses highlight the gospel of grace throughout the book 3 Whole Bible Connections show how any given passage connects to the Bible s overarching story of redemption culminating in Christ and 4 Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture With contributions from an array of influential pastors and church leaders these gospel centered studies will help Christians see and cherish the message of God s grace on each and every page of the Bible The book of Daniel has all the makings of a great story memorable characters cliff hanging moments and incredible visions Yet we miss the point if we pay more attention to Daniel s story than we pay to Daniel s God In this helpful study readers will see how this fascinating biblical book ultimately points to the sovereign Lord of history who rules over all earthly kingdoms and whose plans cannot be thwarted

Step By Step Through Daniel John Ankerberg,Jimmy DeYoung,2019-02-27 The Old

Testament prophet Daniel gives us the skeletal outline of all future Bible prophecy and is the key to understanding the book of Revelation Jesus Christ himself quoted from Daniel assuring us of its truths This book contains Daniel s predictions of four world empires that will rise and fall his predictions of a final world empire that will be led by a new and powerful global leader and his warning of an alignment of nations that will come against the nation of Israel in the last days Where do we find ourselves in the events Daniel describes We will take you step by step through the book of Daniel to help you understand its message and the events God foretells are up ahead [Bible Study Questions on Daniel](#) David Pratte,2018-07-09 This workbook on the Old Testament book of Daniel was designed for use in Bible classes family study or personal study The class book material is suitable for teens and adults Questions in the lessons contain minimal human commentary but instead guide students to study to understand Scripture Enough questions are included for teachers to assign as many questions as they want for each study session The course assignments may proceed at whatever speed and depth will best accomplish the needs of the students [A Deeper Look at Daniel](#) Douglas Connelly,2025-06-27 A deep look at Scripture God s very words is never wasted In fact not only is it never wasted it s richly rewarded The more deeply we dive into the riches of the Bible the more deeply we can experience and serve God the giver of all truth wisdom love and understanding The LifeGuide in Depth Bible Studies help you do just that taking you further into themes and books of Scripture than you might have gone before As you see new connections between the Old and New Testament gain an understanding of the historical and cultural background of passages engage in creative exercises and concretely apply what you ve learned you ll be amazed at the breadth of the knowledge and wisdom you gain and the transformation God can work in you as you meet him in his Word Each session provides enough material for a week s worth of Scripture study along with a weekly group discussion guide that pulls all of the elements together This guide is based on and includes the inductive Bible study Daniel from the bestselling LifeGuide Bible Study Series only now it has been expanded for a new kind of study experience In A Deeper Look at Daniel you ll discover how to accurately interpret the meaning of the goat with one horn how God has been at work throughout history how the sins of our predecessors can influence us how to stand firm when your faith and values are challenged and much more If you re longing to go deeper in your understanding of God and his Word LifeGuide in Depth Bible Studies are for you These studies will meet your need for both rich solidly researched content and personal application They ll meet your need for Bible study that challenges your head and your heart Most of all we pray you ll meet God in them [The Walk with the Word Daniel Study Guide](#) D E Isom,2020-11-21 This is not a commentary but a series of Bible studies employing the Inductive Study Approach in order to arrive at a knowledge of how the text should be personally applied to one s life Formatted in a question and answer format it facilitates the process of observation what does the text say interpretation what does the text mean and the ultimate goal of application how should I personally apply the text to my life In this author s opinion it is impossible to grasp the whole prophetic picture and even many of the individual details and milestones without

building firmly on this progressive foundation of first learning Daniel then the Olivet Discourse and finally on to Revelation The number one culprit of error in this area is most often traced to someone placing an over emphasis on only one of these teachings or over realizing a single aspect of just one of them Revelation cannot be properly understood in isolation from Daniel and the Olivet Discourse In fact if the Early Church who first received Revelation had perceived in even the smallest way that it contradicted made obsolete or outright replaced even one letter of one word in Daniel and the Olivet Discourse it would have been soundly rejected no matter what the authorship The amount of material in Daniel which is recapitulated in Revelation is astounding Rather than presenting another commentary to document the various views and alternative interpretations of Daniel these Bible studies at least provide the opportunity to examine the text and personally seek how God would see it realized in our personal life as we begin to experience these events in our lifetime
