

# 300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "I".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

*Maria Montessori's Erdkinder* Ela Eckert,2022-10-01 Consistently based on the developmental needs in adolescence Maria Montessori designed the concept of a Center for Study and Work in the Countryside for students aged 12 18 years which gives young people the opportunity to learn about the basic structures of production trade and services in a manageable transparent and at the same time protected setting through Practice Theory linked experiences The book presents the basics of Maria Montessori's concept and gives through reports with practitioners and interviews with Montessori experts insights into authentic implementations of the Farm school concept and thus into a learning arrangement that allows young people a high degree of responsibility and participation and strengthens their commitment to a sustainable approach to natural resources and a peaceful way of living The book also addresses schools without a Farm school practice and shows ways of approaching crucial components of this authentic and highly topical concept

Teaching English to Young Learners in Indonesia Gusti Astika,2025-12-15 Teaching English to Young Learners in Indonesia is a practical guide for teachers who

work with children in primary schools It explains what English teaching looks like in Indonesia today and offers simple research based ideas teachers can use right away The book begins by introducing the Indonesian context how English fits into the national curriculum how children grow up using several languages and what this means for teaching English in EFL classrooms Teachers will also learn how children aged 6-12 learn best with easy explanations of key ideas from Piaget Vygotsky Krashen and Bruner The book shows why curiosity play imagination and emotional support are essential in young learner classrooms Practical chapters guide teachers through curriculum planning adapting the Merdeka Curriculum integrating CLIL and creating simple lesson plans There are clear examples of how to teach vocabulary grammar listening speaking reading and writing in child friendly ways using stories chants songs games phonics and creative activities The book also highlights fun and effective teaching approaches such as storytelling drama tasks and projects with ideas for mini books puppet shows English fairs and cultural exchanges Digital tools and AI are introduced in a safe and practical way helping teachers use apps digital stories and gamified activities to support learning To help teachers manage real classrooms the book includes strategies for building routines teaching large classes supporting shy learners and using Bahasa Indonesia wisely Assessment is explained in a simple way with tips for portfolios checklists projects and giving culturally sensitive feedback The final chapters share classroom stories from across Indonesia and offer a look at the future of English teaching bilingual programs multilingual learning with AI and ideas for inclusive and sustainable EYL education Overall this book gives teachers the knowledge skills and confidence to create enjoyable meaningful and effective English lessons for young Indonesian learners

*Story World and Photodramatist*, 1924    **Global Literacy**, 1999    Resources in Education, 1996

Global Trends in Media Education Tony Lavender, Birgitte Tufte, Dafna Lemish, 2003 Over the last decades Media Education has gradually obtained an educational status in many countries throughout the world although few countries have actually incorporated this subject in their formal school curricula Where Media Education is taught today it is principally carried out using a relaxed pluralistic and a cross or multidisciplinary approach This book sets out to explore this new approach to the subject via chapters that are representative of ongoing work by leading Media Education researchers in nine different countries and from all five continents Media Education is continually evolving and the individual chapters indicate that the passion for the subject is global while the actual translations of practices and policies are very much local The book expands the debate about Media Education beyond the traditions and interests of one part of the world to encompass the needs of the rest
