*Chasing the Gender Dream* Jennifer Merrill Thompson, 2004 Chasing the gender dream the completed guide to conceiving pink or blue with the latest sex selection technology and tips from someone who has been there **Global Debates, Local Dilemmas** Tran Minh Hang, 2018-12-20 The practice of sex selective abortion is on the rise globally stirring debates about gender inequality medical ethics and reproductive autonomy This book is the first ethnography to document practices of sex selection in Viet Nam It shows how and why abortions are used to select the sex of children and how Vietnamese individuals and health professionals are implicated in this illicit and controversial practice Telling the stories of women who have undergone sex selective abortions it traces their passage through sex determination and abortion decision making phases and investigates their experiences during and after their sex selective abortions It describes the turmoil experienced by individuals who undergo such abortions and explores their interactions with the spectrum of social actors and health institutions that facilitate practices of sex selection As the first ethnographic study on sex selective abortions in Viet Nam this book delves into socially sensitive terrain and sheds light on personally fraught individual experiences of reproductive agency It documents societal responses to sex selective abortions in Viet Nam and identifies gaps in the state's capacity to regulate reproductive desire in a marketised economy A resource for researchers it contributes to ongoing debates on sex selection and provides a framework for developing relevant social policies interventions and support services This pioneering study offers a nuanced and sensitive account of sex selective abortion as human experience Through thought provoking case studies the book provides rare ethnographic documentation of the complex quandaries that arise as selective reproductive technologies are routinised across the globe Tine M Gammeltoft Department of Anthropology University of Copenhagen **Women, Science, and Technology** Mary Wier, Mary Barbercheck, Donna Cookmeyer, Hatice Ozturk, Marta Wayne, 2013-09-11 Women Science and Technology is an ideal reader for courses in feminist science studies This third edition fully updates its predecessor with a new introduction and twenty eight new readings that explore social constructions mediated by technologies expand the scope of feminist technoscience studies and move beyond the nature culture paradigm

**Genre, Gender and the Effects of Neoliberalism** Betty Kaklamanidou, 2013 The romantic comedy has long been regarded as an inferior film genre by critics and scholars alike accused of maintaining a strict narrative formula which is considered superficial and highly predictable However the genre has resisted the negative scholarly and critical comments and for the last three decades the steady increase in the numbers of romantic comedies position the genre among the most popular ones in the globally dominant Hollywood film industry The enduring power of the new millennium romantic comedy proves that therein lies something deeper and worth investigating This new work draws together a discussion of the full range of romantic comedies in the new millennium exploring the cycles of films that tackle areas including teen romance the new career woman women as action heroes motherhood and pregnancy and the mature millennium woman The work

evaluates the structure of these different types of films and examines in detail the ways in which they choose to frame key contemporary issues which influence how we analyse global politics including gender class race and society Providing a rich understanding of the complexities and potential of the genre for understanding contemporary society this work will be of interest to students and scholars of cultural film studies gender politics and world politics in general      **The New Order** Conrad Riker, 101-01-01 Are you tired of being emasculated and told that masculinity is toxic Discover the hidden power within to reclaim your role as a man Are you struggling with society's double bind expecting you to be strong yet vulnerable Are you tired of cultural Marxism and feminist ideologies undermining your masculinity Are you ready to embrace your role as a leader provider and protector Learn how to embrace your role as a man in today's world Reject toxic cultural narratives and redefine masculinity Understand the importance of brotherhood in supporting your journey Discover the spiritual awakening that awaits when you reconnect with your masculinity Cultivate discipline rational thinking and hard work to build your strength Build strong relationships and select the right partner to support your mission Face challenges head on and learn from failures embracing adversity Create a personal vision and legacy that inspires others If you want to rediscover the power within and reclaim your role as a man buy this book today      "*There is Such a Thing as Too Many Daughters, But Not Too Many Sons*" Sunita Puri, 2007      Gender, Culture, and Consumer Behavior Cele Otnes, Linda Tuncay-Zayer, 2012 First Published in 2012 Routledge is an imprint of Taylor Francis an informa company      **Gender, Science, Technology** Brigitte Rossbacher, 1992      **The British National Bibliography** Arthur James Wells, 2001      *Book Review Index - 2009 Cumulation* Dana Ferguson, 2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year      **Canadian Books in Print 2002** Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses      *Gender Triumphs Unarmed in the Hostile Gorges* Geeta Krishnatry, 1997

CliffsNotes on Shakespeare's A Midsummer Night's Dream Karin Jacobson, 2000-11-30 The original CliffsNotes study guides offer a look into critical elements and ideas within classic works of literature In CliffsNotes on A Midsummer Night's Dream you dig into Shakespeare's entertaining story of young lovers as they're toyed with by mischievous forest sprites Shakespeare claimed to have written this romantic comedy to show that love hath no law but its own This study guide follows the action from scene to scene with commentaries that bring sense to the entertaining play which is neither realistic nor

tragic Other features that help you figure out this important work include Life and background of the author Introduction to and synopsis of the play Analyses of all the characters and a character map Summaries of each of the five acts A review section that tests your knowledge and suggests essay topics Classic literature or modern day treasure you ll understand it all with expert information and insight from CliffsNotes study guides

*Where God and Science Meet* Patrick McNamara Ph.D.,2006-09-30 In this far reaching and novel work experts from across the nation and around the world present evolutionary neuroscientific and psychological approaches to explaining and exploring religion including the newest findings and evidence that have spurred the fledgling field of neurotheology Spiritual practices or awakenings have an impact on brain mind and personality These changes are being scientifically predicted and proven For example studies show Buddhist priests and Franciscan nuns at the peak of religious feelings show a functional change in the lobes of their brain Similar processes have been found in people with epilepsy which Hippocrates called the sacred disease New research is showing that not only does a person s brain activity change in particular areas while that person is experiencing religion epiphany but that such events can be created for some people even self professed atheists by stimulating various parts of the brain It is not the goal of neurotheology to prove or disprove the existence of God but to understand the biology of spiritual experiences Such experiences seem to exist outside of time and space caused by the brain losing its perception of a boundary between physical body and outside world Understanding why this is the case could help explain other intangible events such as altered states of consciousness possession supposed alien visitations near death experiences and out of body events Understanding how and why these abilities evolved in the brain could also help us understand how religion contributes to the survival of the human race

**CliffsNotes on Fitzgerald's The Great Gatsby** Kate Maurer,2000-06-19 The original CliffsNotes study guides offer a look into key elements and ideas within classic works of literature The latest generation of titles in this series also features glossaries and visual elements that complement the familiar format CliffsNotes on The Great Gatsby explores F Scott Fitzgerald s novel of triumph tragedy and a classic love triangle in the 1920s Following the story of a young Midwesterner who s fascinated by the mysterious past and opulent lifestyle of his landlord this study guide provides summaries and critical commentaries for each chapter within the novel Other features that help you figure out this important work include Personal background on the author Introduction to and synopsis of the book In depth character analyses Critical essays on topics of interest Review section that features interactive questions and suggested essay topics and practice projects Resource Center with books videos and Web sites that can help round out your knowledge Classic literature or modern day treasure you ll understand it all with expert information and insight from CliffsNotes study guides

**Mademoiselle** ,2000 *Race, Class, and Gender in a Diverse Society* Diana Elizabeth Kendall,1997 Seeks to demonstrate the interconnectedness of race class and gender at the micro and macro levels of society This study presents articles which aim to reflect the diversity of life in the US and to show how people are affected by the interlocking nature of

race class and      **Unzipping Gender** Charlotte Suthrell,2004-04 How does culture shape notions of sexuality and gender Why are transvestites in the West so often seen as deviant or perverse while they are accepted in other societies What are the implications for the categories of male and female when considering transvestism Transvestism and its cultural practice is a useful lens through which we can view and thus debate models of sex gender and sexuality Drawing on primary fieldwork Unzipping Gender offers a cross cultural study of transvestism through an examination of transvestites in Britain and the Hijras of India The author tackles the critical question of whether or not transvestism is motivated primarily by sex or gender and she challenges the straightforward binary divide that dominates Western theories of gender Taking into account the importance of material culture she also pays close attention to the detail of dress and considers the artefactual nature of the construction of the self through clothing Highlighting the differences between the two groups and drawing on further cross cultural perspectives Suthrell illustrates the social construction of sex and gender She considers the roles that emotion mythology imagery and belief systems play in influencing ideas about sex and gender in different cultures Since sex and gender must inevitably be intertwined Suthrell argues for a more sophisticated response to the complex practice of transvestism In order to gain a deeper understanding of sex and gender issues it is imperative to examine the underlying social and symbolic structures This unique study across cultures leads the way      **Personal Growth and Behaviour** Duffy,1994-02      **Halliwell's Film and Video Guide** ,1998
