**LOW COST, HIGH IMPACT: The Future of Low-Cost Airlines** Günther Vossloh, 2025-11-02 Following the first volume The Future of Low Cost Airlines in Europe, the second volume of the four part series on global developments in the low cost airline sector is now available. The Future of Low Cost Airlines in the USA. This book examines how the American market is reinventing itself amid the conflicting forces of liberalization, consolidation, and technological change, and what role low cost airlines are playing in this process. From the beginnings of the US low fares revolution to the emergence of new competitors and issues of sustainability, digitalization, and market regulation, the book paints a comprehensive picture of the American aviation landscape. It shows how players such as Southwest, JetBlue, Frontier, and Spirit are positioning themselves, what opportunities and risks the market holds, and how geopolitical and ecological factors are shaping the future of low cost flying. For experts in aviation business and politics as well as interested travelers.
