LOW COST, HIGH IMPACT: DThe Future of Low-Cost Airlines Günther Vossloh, 2025-11-02 Following the first volume *The Future of Low Cost Airlines* in Europe the second volume of the four part series on global developments in the low cost airline sector is now available *The Future of Low Cost Airlines* in the USA. This book examines how the American market is reinventing itself amid the conflicting forces of liberalization, consolidation and technological change and what role low cost airlines are playing in this process. From the beginnings of the US low fares revolution to the emergence of new competitors and issues of sustainability, digitalization and market regulation the book paints a comprehensive picture of the American aviation landscape. It shows how players such as Southwest, JetBlue, Frontier and Spirit are positioning themselves, what opportunities and risks the market holds and how geopolitical and ecological factors are shaping the future of low cost flying. For experts in aviation business and politics as well as interested travelers this work offers an in depth yet accessible analysis of one of the most dynamic sectors of global mobility.
