China Importation Master Class Fredrick Emmanuel Ph D, 2021-03-27 I have been in this business for over 8 years with great experiences in the Mini Importation Business. China, USA, UK, Turkey, Vietnam, Malaysia to Africa, Countries and Drop Shipping to UK, USA etc and have successfully imported thousands of products from China to my destination country with ease and at very cheap costs. Especially from 1688.com. 1688.com is the biggest and most popular Chinese wholesale platform where retailers in China buy products directly from the manufacturers and resell at a higher price on other platforms such as Alibaba, Aliexpress, Gearbest etc. So if you thought you always get the best price for items purchased on Alibaba or Aliexpress, you are wrong because these platforms sell products at prices up to 4X or more compared to the price of the same item if purchased directly from 1688.com. But the problem is that 1688.com website is written in Chinese language and meant for the Chinese based retailers. So most people rely on using Google translate and Chinese based suppliers to order products from the platform. With this step by step guide, you will learn how to purchase products directly from sellers on 1688.com who are usually the manufacturers of the products and ship it directly to your location without hassle and cheaply. It covers the following:

1. Sourcing for products from 1688 at very cheap price
2. Steps to buy products directly from manufacturers on 1688 without the use of suppliers
3. Contacting the product manufacturer/supplier
4. Paying for your items
5. Shipping your goods
6. Resources
