Cheating And Deception J. Bowyer Bell, Barton Whaley, 1991

No Cheating Anytime Scotty Gunther, 2011-04-12

He cheated on you and you are devastated. How could he have done this? You are feeling all kinds of emotion which include sadness, embarrassment, anger, hopelessness, the urge to jump off a bridge, and the need for revenge. Which is the urge to push HIM off a bridge. Don't do it just yet. Help is here. In this insightful but hilarious book, Comedian and Relationship Realist Scotty Gunther discusses cheating, what caused it, who's to blame, signs that he might be cheating on you, as we speak, defines what cheating is, and finally shows you how to stop someone from cheating on you forever. Scotty's passion and near schizophrenic pace will make you laugh, cry, and help you find the road to a cheat-free relationship.

The Cheater's Profile Ruby Fleurcius, 2009-10

Most often men cheat because they are deprived sexually and women cheat because they are deprived emotionally. So what do we have here? I will tell you: it's a disaster waiting to happen. The spirit of cheating is directly linked to our human nature, which can very well be controlled like any other habit or addiction. And regardless of whether you are single, married, divorced, or anywhere in between, this book will help you deal with cheating or prevent the act of cheating. Whether you cheat your way to the top or whether you cheat your way to the bottom, it's imperative that you understand what or who's in your heart and the reasons why. Now, in order to truly understand the profile of a cheater, we must understand that there are multiple ways of cheating. Even though we may feel as if we have gotten away with the act of cheating, we have not. The act of cheating and deception keeps us confused and unsatisfied while opening the door to more undue stress and loss. We are created with wants, desires, and needs; if we refuse to take care of the needs of our spouse or mate, they may not cheat physically but definitely emotionally or mentally. When a relationship is missing something, there is a possibility that a spouse will seek refuge, romance, or intimacy from someone else out of hostility, immaturity, revenge, or addiction. **The Cheater's Profile** is not designed to break up relationships; it's designed to restore that in which is destined to be.

Why They Cheat and How They Get Away with It J. L. Ford, 2011-01
