## **Checkpoints A Tactical Guide To Manhood:**

**Checkpoints** Brian Mills, Nathan Wagnon, 2014-02-27 Society today rejects the idea of absolute truth and is openly hostile toward God. For boys who want to be more like Christ, going through adolescence in this culture is like crossing a minefield without a map. They need parents and youth workers to engage with them early and equip them with the skills needed to thrive. Checkpoints plots a course through this enemy territory that not only steers young men toward godliness but also explains how to avoid potential pitfalls. Checkpoints honestly talks about the core issues boys face, opening a vital dialogue between fathers and sons, pastors and students. Key takeaways: Created by student pastors with 20 years in ministry; 8 lessons; Written in a devotional style; Guys spend just 15 minutes each day to prepare them for their small group time.

**Life Change** Jordan Easley, 2013-12-01 Ask anyone, "Is there something about your life that you would like to change?" and the answer will most likely be a resounding YES. Change is something most of us want but few of us practically achieve. In *Life Change*, rising voice Jordan Easley takes a spiritual approach to the topic, walking readers through the book of Mark to highlight stories of life change in the Bible. Looking at seven miracles Jesus performed throughout that text and the people who were changed by them, Jordan shows how the power of God enables us to do what we are incapable of doing ourselves. It may feel like the odds are stacked against us, but the good news is that change is possible and it happens when we live out this three-step process: A NEW HOPE (Establish an authentic relationship that inspires and sustains hope in your life), A NEW WAY OF THINKING (As a result of that relationship, you have a new way of thinking), A NEW WAY OF LIVING (As a result of your new way of thinking, you have a new way of living).

**The Five Marks of a Man: Tactical Guide** Brian Tome, 2023-10-10 There are 45-year-old boys and 15-year-old men. What separates them isn't age, job status, or achievement. It's something deeper and more ancient. The life of every man that matters has been defined by the five marks of a man. This tactical guide is designed to call out, develop, and grow these marks in your own life. This isn't a book; it's a tool. It's not something you read; it's something you use to build a life that works. Each section focuses on one of the five marks, offering challenges, projects, and plans to put them into action. You're going to get your hands dirty. You're going to be in uncomfortable situations. You're going to be pushed. And you're going to grow because of it. This isn't your grandma's fill-in-the-blank Bible study because you aren't a grandma. No one accidentally falls into a life of meaning; a life of meaning is built intentional choice by intentional choice. Men rise to meet challenges. Now is your time. The question is: will you? *Virtuosity* Brian Mills, Donavan DeGrie, 2015 In *Virtuosity*, authors Brian Mills and Donavan DeGrie call out young men to not settle for a life of spiritual complacency and mediocrity but to strive for excellence. In this 8-week experience, guys will be exhorted to live lives that are set apart in the areas of humility, discipline, grace, and more. Includes a foreword by four-time CrossFit champion Rich Froning. Benefits: Challenges guys to move out of mediocrity and passivity to step up and take responsibility. Continually pushes guys to value the Word of God. Urges guys to be mentors and be mentored. Reminds them of their need to
