*Villi's Bride (Norlanian Brides Book Four)* R. E. Butler, 2017-05-21 Villi grew up knowing that his people the Ligaru were feared by the Norlanians on the other side of the Issizlik Mountains. He wouldn't care about that except that his people have few females of their own. Unlike their Norlanian counterparts, the Ligaru don't care about the females' inability to breed. They only care that every female is with her soul mate. During a mission to Kyvern City to destroy the soul walk machine, Villi finds himself entranced with a scent in the building, recognizing it as the scent of his own soul mate. After his job is done, he leaves his people and locates the female, planning to prove to her that he's no monster under the bed but rather a male worthy of being her soul mate and loving her for the rest of his life. Pilar Rotahn is a no-nonsense female who takes great pride in her catering business and teaching job at the culinary academy in Kyvern City. Although she would never admit it out loud, she doesn't like coming home to an empty house each night or waking up alone. But as a sterile Norlanian female, she knows that no male will ever go on the soul walk and dream about her. One night, she's woken by a strange male in her bedroom. He's the sexiest male she's ever seen, even with his fangs, and when he offers to take her to his home on the other side of the forbidden mountain, she throws caution to the wind and goes with him. Is the life that Villi offers too good to be true, or will Pilar find everything she ever dreamed of on the other side of the mountain?

**A Teton Mountain Christmas** Kellie Coates Gilbert, 2025-11-02 Christmas in Thunder Mountain is always magical, but this year it's nothing short of miraculous. After a bittersweet farewell, Mayor Reva Nygard is finally coming home for the holidays. Her friends have planned a festive welcome party complete with twinkling lights, cinnamon cider, and plenty of hugs. But when a blizzard grounds her flight, it seems even Christmas magic might not be enough to bring her home. Meanwhile, a quiet miracle is unfolding back in town. Annie Cumberland, who long ago let go of the dream of motherhood, is stunned to learn she's pregnant with twins. What she thought was menopause turns out to be the surprise of a lifetime. And when she goes into labor at Reva's long-awaited party, the entire community rallies around her just like they always do. With snow falling, candles glowing, and new life beginning, the women of Thunder Mountain discover that sometimes the best gifts come wrapped in the most unexpected ways. Celebrate the power of friendship, love, and fresh beginnings in this unforgettable holiday conclusion to the Teton Mountain Series.

**Dero's Bride (Norlanian Brides Book Five)** R. E. Butler, 2017-06-11 Tarihn, an unmated female on the planet Norlan, has spent most of her life knowing that she'll likely never be chosen as a mate because she's sterile. She spends her days watching her people take soul mates from other planets and find happiness, but she knows she won't ever be so lucky. Dero lives on the forbidden side of the Issizlik Mountains. He's never ventured to the other side of the mountain until now, when he and his people mount a mission to destroy the soul walk machines used to abduct females from other planets and the vaccinations that have caused the females to become sterile. What he doesn't expect is to scent his own soul mate in the medical center or for her to pass out in fear when they come face to face. Dero has three days to convince Tarihn that they're

soul mates or he'll have to return her to her home and erase her memory The thought of living without her for even a moment is too much for him to bear and he'll do everything in his power to ensure that she knows he wants to spend the rest of his life making her happy Will she give him a chance to prove that they're meant to be together or will she want to go back to her own people
