Writer's Workshop for the Common Core Warren Combs, 2014-01-09 Writing instruction expert Warren Combs presents a step by step plan for teaching writing workshops that are aligned to the Common Core State Standards. The book is filled with practical mini lessons strategies and tools for every stage of the writing process from prewriting through publication. Scripting is provided to show teachers how to model each strategy for students. In addition Dr Combs shows how teachers can use the following elements. The concepts Voice Pictures and Flow to help students understand the essential elements of writing. The words Invite Model Write Look and Learn to model effective writing for students and have them learn from your example. Revision strategies such as Jot and Blend Combining Sentences Writing Leads and Writing Closes Peer revision using Peer Assisted Learning Systems PALS Student self assessment rubrics. The book also includes scoring guides and pacing guides to help teachers implement writing workshops more easily. As Dr Combs demonstrates you can give workshops more structure while still making writing come alive for your students.

A Quiet Revolution Michael D. Steele, Craig Huhn, 2018-03-19 This book chronicles Holt High School's 30 year transformation in mathematics education. It highlights the shift to an innovative curriculum, the removal of tracking, and the creation of supportive, discourse rich classrooms. It includes successes, challenges, and reflective activities for educators to inspire meaningful change.
