readers just as they did me Once I began reading the book I could not put it down Ava Maria Whittemore Minority Achievement Coordinator Frederick County Public Schools MD *Teaching Figurative Language Through Poetry* Katrina Williams, 2014-11-22 Allow your students to love poetry and figurative language Paradox irony alliteration metaphors assonance similes and other forms of figurative language are strategically embedded to enhance poetry through engaging Common Core aligned lessons When figurative language and poetry are combined analysis and comprehension begins

Amplifying the Curriculum Aída Walqui, George C. Bunch, Peggy Mueller, 2025 Expanded and revised to include four entirely new chapters this thoroughly updated edition presents a model for how educators can design high quality challenging and supportive learning opportunities for multilingual learners Starting with the premise that conceptual analytic and language practices develop simultaneously as students engage in disciplinary learning the authors argue for instruction that amplifies rather than simplifies expectations concepts texts and learning tasks They offer clear guidance for designing well supported lessons with examples that demonstrate the approach in elementary and secondary classrooms across various subject areas math science language arts and social studies and contexts including newcomer classrooms and a new chapter written in Spanish on instruction in students home languages This popular resource guides teachers through the coherent design of tasks lessons and units that invite all students to engage in productive meaningful dialogic and intellectually engaging activity The book concludes with a discussion of where teachers might begin and how teacher educators professional development providers and educational leaders can support them in these efforts Book Features Provides discipline specific examples that are fully unpacked to guide teachers in creating ambitious and supportive learning tasks lessons and units of study Supports teachers in their own instructional design by providing guiding tenets a framework for designing lessons and multiple examples in different subject areas Offers a compelling argument supported with examples and guidelines that highlights the centrality of interactions in the development of student academic autonomy Provides practical guidance grounded in sociocultural ecological theory applied linguistics and theories about effective learning of disciplinary practices Includes real life lessons that have been successfully implemented in classrooms with multilingual learners at all levels of language proficiency The second edition of this fantastic resource for teachers of ELL classified students and other multilingual learners extends the authors original framework of effective ways to amplify highly engaging academic instruction across grade levels content areas and home languages Wayne E Wright associate dean for research graduate programs and faculty development Purdue University College of Education **Vocabulary Is Comprehension** Laura Robb, 2014-08-21 Here is a reading riddle What knowledge always precedes high level text comprehension and yet seldom is given sufficient instructional time The answer Word knowledge Our students can't understand texts without knowing what words mean It's that simple Meanwhile in our rush toward complex texts somehow we forget to put a new systematic vocabulary plan in place In *Vocabulary Is Comprehension* Laura Robb provides the

instructional plan And just wait until you see the results Laura s plan takes just 10 to 15 minutes and much of it is spent in partner and independent work so this is no add on to squeeze in Even better all materials are included Each lesson features a student reproducible along with 50 pieces of short fiction nonfiction and poetry or if you prefer use your own text Here s how the plan works Day 1 You read aloud the short text and students discuss the selected words in their context Students work in pairs rereading the text to understand words and phrases and then share understandings as a class Days 2 a survey conducted by Instructor magazine named Laura as one of the nation s top twenty educators Currently in addition to her speaking and consulting she works part time in grades K 8
