Your Life After Trauma Michele Rosenthal, 2015-03-02 Restoring your sense of self after trauma In 1981 as a thirteen year old child I was given a routine antibiotic for a routine infection and suffered anything but a routine reaction An undiscovered allergy to the medication turned me into a full body

burn victim almost overnight By the time I was released from the hospital I had lost 100% of my epidermis Even more importantly I had completely lost myself Now a professional coach who specializes in helping trauma victims rebuild their lives Michele Rosenthal struggled with the effects of medically induced post traumatic stress disorder PTSD for over 25 years before reaching a full recovery Today she is 100% free of symptoms of PTSD In this book she applies her personal experience and professional wisdom to offer readers an invaluable roadmap to overcoming their own trauma in particular the loss of sense of self that often accompanies it If you suffer from the effects of trauma or PTSD whether it was caused by a single incident like a car accident or from chronic childhood abuse domestic violence illness or war trauma you are well aware of how disconnected you feel from the person you most deeply wish to be Trauma interrupts even hijacks your identity To cope you may rely on mechanisms to keep your emotions triggers and responses in check but these very habits can often prevent the true restoration of safety stability and inner connection How can you rediscover your sense of self so that you honor who you were before the trauma even if that trauma began at birth understand who you are at this very moment and determine who you want to be going forward Like a therapist in your back pocket *Your Life After Trauma* guides you in finding answers to these tough questions Expertly written by a helping professional who keenly understands the post trauma identity crisis that is so common among trauma and PTSD sufferers it is a simple practical hands on recovery workbook Filled with self assessment questionnaires exercises tips and tools not to mention insightful personal and professional vignettes it takes readers through a step by step process of healing the identity crisis from understanding some of the basic brain science behind trauma and why you feel the way you do to recognizing who you were or had the potential to be before the trauma who you are today after the trauma and who you want to become With this book by your side it is possible to regain a sense of calm confidence and control on your road to recovery

The Trauma Heart Judy Crane, 2017-06-27 The majority of people addicted to substances or process addictions such as relationship disorders eating disorders self harming behaviors gambling or pornography are trauma survivors Many people caught in the web of addiction don't identify as trauma survivors until their personal familial intergenerational and in uterine history is exposed Unfortunately relapse is inevitable without trauma resolution that can only take place once their history is exposed It is only when that happens that the behavior disorders will finally make sense For almost 30 years Judy Crane has worked with clients and families who are in great pain due to destructive and dangerous behaviors Families often believe that their loved one must be bad or defective and the one struggling with the addiction not only believes it too but feels it to their core The truth is the whole family is embroiled in their own individual survival coping mechanisms the addicted member is often the red flag indicating that the whole family needs healing In *The Trauma Heart* Crane explores the many ways that life's events impact each member of the family She reveals the essence of trauma and addictions treatment through the stories art and assignments of former clients and the staff who worked with them offering a snapshot of their pain and healing

Trauma Healing Guide Gerald Kiesman,2017-02-03 In 1997 Gerald Kiesman started to heal a traumatic event he experienced Throughout his healing Gerald recognized that information on trauma in books and on the internet was written in academic terminology Gerald believed it is important to write about

trauma in layman's terms easy to understand that includes healing exercises Having an understanding of trauma and knowledge of healing exercises is the foundation to healing trauma In 2000 Gerald started to develop the book With 16 years of research on trauma post traumatic stress disorder and healing exercises and facilitating over 300 workshops throughout Canada Gerald has developed this trauma healing guide that provides a clear and basic understanding of how trauma impacts the mind and body a understanding of post traumatic stress disorder and healing exercises to eliminate the stress from the traumatic event Journal writing exercises are also included The Trauma Healing Guide is a valuable resource for trauma survivors community workers caregivers foster parents military personnel and veterans From Trauma to Healing Ann Goelitz, Abigail Stewart-Kahn, 2013 From Trauma to Healing A Social Worker's Guide for Working With Survivors is the next significant publication on trauma in the field of social work Since September 11 and Hurricane Katrina social workers have come together increasingly to consider how traumatic events impact practice From Trauma to Healing is designed to provide direction in this process supporting both the field's movement towards evidence based practice and social workers growing need to be equipped to work with trauma It does so in the practical guide format already proven to be compelling to social work students educators and practitioners providing case examples and addressing social workers unique ecological approach *The Trauma Survivor's Guide to Healing* Travis Jessop, 2020-05-14 I understand the magnitude of damage left behind in the aftermath of trauma Not only through my years of coaching trauma survivors but because I too am a survivor of unimaginable trauma A few years ago I watched my 3 year old son die in an auto accident just days after losing my Dad to cancer Shortly after losing my son I found myself homeless and beyond broke I desperately needed help from somebody who not only understood trauma but had survived and HEALED after experiencing trauma I needed help and I didn't know where else to turn So I began weekly therapy sessions After thousands of dollars and many years of meeting with different counselors I was diagnosed with PTSD The diagnosis was great at least now I had a name for the beast in my head but I was still not feeling the peace I was desperately seeking So I began my quest to heal from PTSD on my own so I could get control over my mind and emotions and create a new life for myself my life after trauma I know from personal experience that trauma can destroy everything you value It can leave you broke mentally financially and spiritually It destroys friendships and relationships The very things you once placed so much value on no longer matter After years of studying trauma and PTSD I began to coach other trauma survivors and I discovered that we all seem to have a common theme in the way our brains and bodies react when they try to process the trauma and damage that has taken place I made a promise to myself that when I had healed from trauma that I would help others heal from their traumas so I created a simple step by step guide in the pages of this short book called *The Trauma Survivor's Guide To Healing* We All Have Parts: An Illustrated Guide to Healing Trauma with Internal Family Systems Colleen West, 2021-09-14 An illustrated IFS Psychoeducational Tool for Survivors of Childhood Trauma and Neglect With simple language and illustrations this little book will help teach your adult

and adolescent clients how to understand their trauma symptoms and how Internal Family Systems IFS works to heal them This powerful therapeutic tool translates complex ideas about trauma and parts work into material that is accessible and easy to understand Practical guidance and illustrations for clarifying and discussing Dissociation Parts mapping Complex PTSD Coping strategies Window of tolerance Somatic experiencing
