abstract In the following project I intend to explore the social dynamics surrounding this relatively unexamined occurrence whilst focusing specifically on the processes and motivations behind video sharing In the past decade alone the aptly named viral video has progressed from a novel phenomenon to an almost daily occurrence on the internet These are defined by their capacity to spread through social media outlets at alarming rates and gain the attention of staggering numbers of people throughout the world Importantly the mass dissemination of these videos relies substantially on individuals choosing to share them online through websites such as Facebook and Twitter   **Adweek** ,2010   **She Memes Well** Quinta Brunson,2021-06-15 From Emmy Award winning writer Quinta Brunson creator and star of Abbott Elementary comes a deeply personal and funny collection of essays about trying to make it when you re struggling the importance of staying true to your roots and how she s redefined humor online Quinta Brunson is a master at breaking the internet Before having any traditional background in media her humorous videos were the first to go viral on Instagram s platform From there Brunson s wryly observant POV helped cement her status in the comedy world at large with roles on HBO Netflix ABC Adult Swim BuzzFeed the CW and Comedy Central Now Brunson is bringing her comedic chops to the page in She Memes Well an earnest laugh out loud collection about this unusual road to notoriety In her debut essay collection Quinta applies her trademark humor and heart to discuss what it was like to go from a girl who loved the World Wide Web to a girl whose face launched a thousand memes With anecdotes that range from the ridiculous like the time she decided to go clubbing wearing an outfit she describes as Gary Coleman meets metrosexual pirate to more heartfelt material about her struggles with depression Quinta s voice is entirely authentic and eminently readable With its intimate tone and hilarious moments She Memes Well will make you feel as if you re sitting down with your chillest funniest friend   **Left to Their Own Devices** Julie M. Albright,2019 Digital natives are hacking the American Dream Young people brought up with the Internet smartphones and social media are quickly rendering old habits and norms a distant memory creating the greatest generation gap in history In this eye opening book digital sociologist Julie M Albright looks at our device obsessed society and the many ways in which the post World War II American Dream is waning for the Millennial generation Albright notes that in the former age of traditional media dominated by three major TV networks and the national print media values were more harmonized and time synchronized Today with a deluge of information available 24 7 we are experiencing a sort of digital tribalism with people coalescing inside of increasingly fragmented informational echo chambers Digital media allows bad actors to enlarge the rifts between these siloed tribes in divide and conquer fashion frothing up fears by propagating fake news and fake people online What are other effects of hyper connectivity coupled with disconnection from stabilizing social structures Albright sees both positives and negatives On the one hand mobile connectivity has given digital nomads the unprecedented opportunity to work or live anywhere On the other hand new threats are emerging including cyberbullying and the ability to radicalize marginalized youth decreased physical exercise increased isolation anxiety and loneliness

ephemeral relationships fragmented attention spans lack of participation in community activities and the political process and detachment from the calm of nature or the refuge of religion In this time of rapid global technologically driven change this book offers fresh insights into the effects of always on devices on the family community business and society at large
