During Reading

Directions: Start and stop at the page(s) indicated. Answer the questions and be prepared to share with your class.

| Page Number | DURING READING QUESTIONS | STUDENT RESPONSE |
|--|---|--|
| Start Page 45: "As winter drew on, Mollie became more and more troublesome." | A. Why do you think that Napoleon and Snowball always disagree? B. Contrast the leadership style of each pig. | Napoleon does not want Snowball to lead Animal Farm and gain more popularity than himself. Napoleon is a self-centered, ruthless dictator. Snowball is happy, and he is more creative and more fluent. |
| To Page 48: "But of all their controversies, none was so bitter as the one that took place over the windmill." | | |
| Start Page 48: "In the long pasture, not far from the farm buildings...." | Contrast Napoleon and Snowball's perspectives on the windmill. | Snowball argues in favor of the windmill, which he is certain will eventually become a labor-saving device; Napoleon argues against it, saying that building the windmill will take time and effort away from the more important task of producing food. |
| To the end of Page 53: "It was noticed that they wagged their tails...." | How do Napoleon's actions in this scene affect the other animals? | They don't agree with Napoleon. |
| Start Page 54: "Napoleon, with the dogs following him...." | Consider the changes Napoleon makes to how the farm will be run. In your opinion, what is his likely motivation for the changes? | There will be no more Sunday Meetings. All decisions about the farm will be made by a committee of pigs presided over by Napoleon. The animals will now meet on Sundays to salute the flag, sing "Beasts of England," and receive their orders for the week. |
