Chapter 9 Guided Reading Answers:

The One-on-One Reading and Writing Conference Jennifer C. Berne, Sophie C. Degener, 2015 Personal interactions are the single most effective way for teachers to understand and evaluate their student as learners Responding specifically to new Common Core State Standards in reading and writing this book introduces pre and inservice teachers to a method of one on one interaction the authors refer to as the stretch conference This book provides detailed practical advice on the logistics of implementing these conferences during the busy school day including tips on how and when to schedule conferences and how to successfully manage the classroom during conference time The authors argue that rather than using valuable conference time for word level concerns and editing teachers should focus on more ambitious goals that will deepen or stretch students skills in comprehension and writing This resource suggests where conferences fit in with other important pieces of literacy instruction introduces a variety of high quality cues to use during conferences and shows how conferences can function as formative assessment for reading and writing skills This book was written by two veteran teacher educators who conduct frequent workshops and professional development with teachers helps teachers adjust their instruction for the demands of Common Core Standards and includes many detailed examples of effective conferences taken from real classrooms

Great Habits, Great Readers Paul Bambrick-Santoyo, Aja Settles, Juliana Worrell, 2013-05-29 A book that brings the habits of reading to life Great readers are not made by genetics or destiny but by the habits they build habits that are intentionally built by their teachers The early formal years of education are the key to reversing the reading gap and setting up children for success But K-4 education seems to widen the gap between stronger and weaker readers not close it Today the Common Core further increases the pressure to reach high levels of rigor What can be done This book includes the strategies systems and lessons from the top classrooms that bring the habits of reading to life creating countless quality opportunities for students to take one of the most complex skills we as people can know and to perform it fluently and easily Offers clear teaching strategies for teaching reading to all students no matter what level Includes more than 40 video examples from real classrooms Written by Paul Bambrick-Santoyo bestselling author of *Driven by Data* and *Leverage Leadership* Great Habits Great Readers puts the focus on learning habits reading habits guided reading and independent reading NOTE Content video and other supplementary materials are not included as part of the e-book file but are available for download after purchase
