## Communication N5 Question Paper 2012:

**Chasing Zero** Kat Janowicz,2023-06-13 Kat Janowicz digs deep to chronicle the transformation of the LA Long Beach ports as a springboard for exploring the larger quest for an emission free world The landmark 2002 ruling in a lawsuit against the Port of Los Angeles and one of its terminal operators sent shock waves through global supply chains To stay in business and continue to compete on the world stage the LA and Long Beach ports had to start listening to the community and find common ground for reducing port related air pollution Ultimately the ports underwent nothing short of an environmental reformation Technical documents legislative records and news reports offer bits and pieces of this story but the full account has never been told until now Drawing on more than two decades of experience in the energy transportation and technology sectors Kat Janowicz digs deep to chronicle the transformation of the LA Long Beach ports as a springboard for exploring the larger quest for an emission free world the choices the costs and the challenges Janowicz reviewed thousands of documents watched hundreds of hours of video recordings and spoke to more than 150 people to tell this story and decode its complexities Those who shared their knowledge insights and personal stories include current and former port executives and staff elected and appointed officials private industry leaders scientists educators and everyday people who live and work in Southern California Captivating informative and entertaining Chasing Zero is a primer for everyone from ordinary people to high level decision makers seeking to better understand the global trade supply chain technology energy and environmental issues and policies that affect us all While painting a vivid portrait of the global challenges we face the book sheds light on the exciting opportunities for current and future generations willing to tackle them *International Handbook of Media Literacy Education* Belinha S. De Abreu,Paul Mihailidis,Alice Y.L. Lee,Jad Melki,Julian McDougall,2017-04-21 At the forefront in its field this Handbook examines the theoretical conceptual pedagogical and methodological development of media literacy education and research around the world Building on traditional media literacy frameworks in critical analysis evaluation and assessment it incorporates new literacies emerging around connective technologies mobile platforms and social networks A global perspective rather than a Western centric point of view is explicitly highlighted with contributors from all continents to show the empirical research being done at the intersection of media education and engagement in daily life Structured around five themes Educational Interventions Safeguarding Data and Online Privacy Engagement in Civic Life Media Creativity and Production Digital Media Literacy the volume as a whole emphasizes the competencies needed to engage in meaningful participation in digital culture [Index to IEEE Publications](#) Institute of Electrical and Electronics Engineers,1979 Issues for 1973 cover the entire IEEE technical literature
