Maybe you're just heading to Seattle for a sales conference and you need something to peruse on the plane. Or maybe you're starting an MBA in the fall and you're wondering what books to read before you start. Yes, you feel you ought to read one of the latest business books. This title is one of the series of management books published by OxfordCS Publications. Our series of management books cover everything from accounting principles to business strategy. Each one has been written to provide you with the practical skills you need to succeed as a management professional. All our books for business professionals are written exclusively by experts within their fields. Delve into subjects such as accounting, self management, human resource management, and job searching. This updated and expanded second edition of the book provides a user friendly introduction to the subject. Taking a clear structural framework, it guides the reader through the subject's core elements. A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is a required reading for all those interested in the subject. We hope you find this book useful in shaping your future career. *Business Sales Force Management* Mark W. Johnston, Greg W. Marshall, Jessica L. Ogilvie, 2025-03-31 This 14th edition of *Sales Force Management* continues to build on the book's reputation as a contemporary classic, fully updated for modern sales management teaching, research, and practice. By identifying recent trends and applications, *Sales Force Management* combines real world sales management best practices with cutting edge theory and empirical research in a single authoritative source. The authors have strengthened the focus on the use of technology in sales management, including the use of AI in predictive sales analytics, updated the content to reflect the enduring impact of the COVID-19 pandemic, and revised the case studies and features throughout. Pedagogical features include the following: All new Thought Bubbles posing international challenges regularly encountered by sales managers to develop students' cultural intelligence and ability to handle cross cultural interactions with ease. Engaging breakout questions designed to spark lively discussion. Leadership Challenge assignments at the end of every chapter to help students understand and apply the principles they have learned in the classroom. Minicases updated to reflect contemporary B2B industry settings that today's graduating sales students will find themselves in, such as technology sales roles. Leadership Innovation and Technology boxes that simulate real world challenges faced by salespeople and their managers. Ethical Moment boxes in each chapter put students on the firing line of making ethical choices in sales. Role Play exercises at the end of each chapter designed to enable students to learn by doing. This fully updated new edition is an invaluable resource for

students of sales management at both undergraduate and postgraduate levels Online supplementary resources include an Instructor's Manual and PowerPoint lecture slides
