*The Screenwriter's Problem Solver* Syd Field,2009-09-02 All writing is rewriting But what do you change and how do you change it All screenplays have problems They happened to Die

Hard With a Vengeance and Broken Arrow and didn't get fixed leaving the films flawed. They nearly shelved *Platoon* until Oliver Stone rewrote the first ten pages and created a classic. They happen to every screenwriter. But good writers see their problems as a springboard to creativity. Now bestselling author Syd Field, who works on over 1 000 screenplays a year, tells you step by step how to identify and fix common screenwriting problems, providing the professional secrets that make movies brilliant. Secrets that can make your screenplay one headed for success or even Cannes. Learn how to understand what makes great stories work. Make your screenplay work in the first ten pages using *Thelma Louise* and *Dances With Wolves* as models. Use a dream assignment to let your creative self break free overnight. Make action build character the way Quentin Tarantino does. Recover when you hit the wall and overcome writer's block forever. [Complete Screenwriting Course](#)

Want To Know What's Really Going On Under Three Act Screenplay Structure. This screenwriting book moves past generic screenplay analysis of structure, i.e. three big boring acts, to discover the seven sequences underpinning them. *Master Screenplay Sequences* is one of only two screenwriting books available dedicated to sequences and will revolutionize your understanding of structure by showing you how to break scripts down into manageable ten to fifteen minute chunks or mini movies. Fully understand how to make conflict easier to create and escalate by utilizing sequences. Structure your entire script much more easily by breaking it down into 7 or 8 mini movies rather than big long acts. Write your screenplays quicker and easier than ever before. Learn how to create page turner screenplays just like the pros by using the highs and lows natural to sequence structure. This Book Includes: 1. A complete analysis of sequences missing from most screenwriting books and courses, enabling you to step up to the level of pro regarding structure. We fully explain how sequences work by breaking them down.

to show their inner workings how they should be viewed as mini movies with their own 3 act structure and how they fit within the overall screenplay 2 Breakdowns of 5 popular films demonstrating how sequences are applied by professional screenwriters in their screenplays We take a look at one movie in each of the major genres showing how sequences are applied across all types of films from Comedies to Horrors Who Should Buy This Book Any screenwriter who wants to Break their script into 7 or 8 manageable chunks making it easier to navigate that long long 2nd act and easier to write overall Get powerful and practical tools to truly master screenplay structure and take command of their story Learn how sequences are self contained mini movies with 3 acts segments and 6 major plot points of their own Make conflict easier to write by escalating tension toward sequence plot points instead of act plot points Produce a tightly written screenplay that will win contests and attract the attention of agents managers and producers Learn how everything fits together in a screenplay how acts sequences segments and scenes all use the same plot points We ve Helped 100 s Of Screenwriters Master Structure And now we ve put all our years of knowledge into this book After learning and applying our sequence method many of our writers have quickly gained representation with an agent or manager Others have optioned or sold their first screenplay Some have gone on to win or place in the top 5 of major screenwriting contests Learn how to apply sequences to your screenplay and join the ranks of satisfied screenwriters The Truth Is This If you want to make it as a screenwriter a total knowledge of sequences and how they underpin 3 act structure is essential That s why we decided to write this book as we felt this crucial information is really absent from most books on screenwriting and courses It s time to break free from the generic framework of 3 acts and only 5 major plot points Learn from the breakdowns of 5 great films one from each major genre the true inner workings of screenplay structure and apply it to your own scripts Guide to Literary Agents 96
