TikTok Broadway Trevor Boffone, 2024 TikTok Broadway Musical Theatre Fandom in the Digital Age explores how TikTok has revolutionized musical theatre fandom and democratized musical theatre fan cultures and spaces. The book argues that TikTok has created a new canon of musical theatre thanks to the way virality works on the app expanding musical theatre into a purely digital realm that spills into other non-digital aspects of U.S. popular culture. [The Routledge Handbook of Fan Video and Digital Authorship](#) Louisa Ellen Stein, Samantha Close, 2025-10-31 This cutting edge collection explores the histories, aesthetics, and cultural work of fan video across a wide variety of manifestations and genres. Editors Louisa Ellen Stein and Samantha Close have assembled an edited collection that showcases the aesthetic diversity and transcultural dynamics at play in fan video as a widespread form. The collection explores the relationships between fan video as a set of DIY subcultural authorship forms and the broader evolving popular cultures of digital media looking at how fan video structures and aesthetics influence other popular and commercial forms of digital video. In order to do so it examines a wide range of fan video genres and practices including vidding, reaction videos, self-insert TikToks, ASMR videos, Let's Play videos, streams, Bilibili videos, gif loops, fan films, crack videos, animatics, collection videos, deepfakes, fake trailers, and fan video essays among others. It features chapters by a range of scholars working in the intersecting fields of digital media studies, fan studies, media studies, cultural studies, audience studies, video game studies, transcultural studies, and videographic studies. A field defining collection this Handbook will be of interest to students and scholars of digital media studies, fan studies, media studies, cultural studies, videographic studies, and beyond. **It Starts with One** Jason Lipshutz, 2024-10-01 From the executive director of music at Billboard an extensive look inside the 20 year career of mega selling rock band Linkin Park featuring new interviews, exclusive quotes and insights from the band's associates and collaborators.
