C. Norman Shealy,2006-12-28 Using today s most leading edge therapies and breakthroughs in the science of longevity C Norman Shealy one of the pioneering holistic physicians of our time shows how we can healthfully age to one hundred and beyond The idea of living well beyond one hundred years and enjoying those years in good health used to be the stuff of science fiction No longer C Norman Shealy M D Ph D whom Caroline Myss calls a wizard genius scientist mystic physician offers Life Beyond 100 Secrets of the Fountain of Youth In this deeply learned and revolutionary book Dr Shealy provides a new concept of longevity one that reveals that we can live far longer than current science suggests Basic healthy living and the use of alternative therapies have long been touted as the way to well being but Dr Shealy takes these tenets a step further From the physiology of stress and its effect on the human mind and body to the importance of DHEA from the proven techniques of photostimulation and biofeedback training to groundbreaking suggestions for alleviating depression from Shealy s electromagnetic framework of life to his recommendations for optimal health Life Beyond 100 presents a detailed roadmap to achieve healthy aging or youthing The result of years of clinical practice and cutting edge research Life Beyond 100 also exposes the fallacies behind many of the claims made by the medical establishment and the pharmaceutical industry Shealy argues that rather than increasing people s life expectancy these two groups create the opposite effect consigning hundreds of thousands of people to an often miserable and premature old age by treating symptoms with an antidote prescription medicine that is often worse than the ailment itself As a counterpoint Life Beyond 100 provides the most ambitious yet medically grounded and commonsensical longevity program available Easy to follow and supported by advanced research Dr Shealy s guide to uncovering the secrets of youthful aging redefines the concept of human longevity and offers a new vision of healthy living to one hundred and beyond

Secrets of Longevity ... Revealed Jayanth Reddy Morramganti, 2019-09-05 May this book bring you the in depth information about our living how we are the balance between the human and the universe the energy and life of you and worldly people in this planet earth. Its already inbuilt by God within yourself all the possibilities and only you should have capacity to believe or experience it. One can search on internet for the definition of fitness written by multiple sources amateur to expert. There are also innumerable books on fitness and life. My honest view is that all knowledge read is of no use one must experience. Once you experience the beauty of the universe you will realize that the universe is for the living beings and the most exciting time is to experience the history of the humans the cycle of life how impossible becomes possible a study in every field of human endeavor in health and life of this magnificence of the human kind.
