Wirtz, MA, 2014-06-24 Reading is one of the most important fundamental skills that children learn. Unfortunately, many children still struggle to read proficiently, leaving parents to seek alternative educational environments and educators to seek innovative teaching methods. With that in mind, seasoned reading specialist Rita Wirtz shares a commonsense, time tested reading guide that offers a step by step approach for successfully instructing the fundamentals of reading to readers of all ages. Wirtz, a language arts and reading specialist who has taught at all levels for forty years, presents mini lessons that focus on basic phonics instruction, proven strategies and specific skills to help students recognize words, increase reading speed and fluency, build and boost vocabulary, correct basic reading errors and difficulties, and build confidence as readers. *Reading Champs* provides fundamental building blocks and success secrets for any parent, tutor and teacher with an aspiration to transform struggling readers into reading champions. *Sight Words Level 2* Lisa Gardner, 2014-05-02 *Sight Words Level 2* A Sight Words Book for Preschool and Kindergarten teaches your child sight words in three easy to use word sets. The books in this Sight Words Book series have been organized into 5 levels. This book teaches level 2 and contains 55 sight words. As educators have found, teaching only a few sight words at a time is the best way to increase success. The book includes 3 sets of words, allowing your child to work through and master one set at a time or work through all the sets in sequence. The book features a charming character, bright colors and large bold text to help make the learning process fun. After mastering the words in all 5 levels, your child will be a more confident beginning reader and will be ready for reading and writing in elementary school.
