**A Personal Note From The Author** This book blends 15 years of my experience as a therapist, coach and trainer supporting people through issues such as anger, depression, stress, anxiety and relationship concerns. Apart from the usual talk therapy and counselling, I often incorporate experiential approaches in my practice. I found the use of simple stories and fairy tales to be an effective form of raising awareness of psychological, emotional and behavioural issues. Depending on our personal experiences, we can relate one way or another to certain characters. The plot can also remind us of certain situations we are facing in our lives. That's why I developed the EDIT method in 2017 to guide

my clients and participants to reflect therapeutically on stories And I am excited to share this method with you in this very book After watching It s Okay To Not Be Okay I was intrigued by the Ko Mun Yeong fairy tales And I got inspired to put together this self help guide for you I hope that as you apply the EDIT method on her stories it will help you heal the pain and regain a sense of control over your situation      **Feeling Good!** Kojo Sarfo,2022-12-06 Develop a healthy outlook on life and assess your own mental health with this informative guided workbook to staying positive and living life to the fullest no matter what you re going through Do you struggle with stress worry anxiety or depression The Feeling Good workbook is here to help you take control of your mental health once and for all so you can start finding healthy ways to cope and improve your overall outlook With prompts lists activities and more you can learn why different types of mental health disorders exist and determine if you should seek a diagnosis You ll learn healthy strategies for dealing with mental illness process difficult emotions and map out ways to help you feel happier more confident and more fulfilled in life With expert advice from Dr Kojo Sarfo you ll toss the stigma have fun completing exercises as you learn positive mental health and best of all accept yourself for who you are No matter what mental health struggles you re facing you are not alone It s time to come face to face with your mental health with Feeling Good
