

Collection Of 3 Files

Wilson B. Casner

Collection Of 3 Files:

The Chevalier d'Eon and his Worlds Simon Burrows, Jonathan Conlin, Russell Goulbourne, Valerie Mainz, 2009-01-14 Cross dressing author envoy soldier and spy Charles d Eon de Beaumont s unusual career fascinated his contemporaries and continues to attract historians novelists playwrights filmmakers image makers cultural theorists and those concerned with manifestations of the extraordinary D Eon s significance as a historical figure was already being debated more than 45 years before his death Not surprisingly such sensational material has attracted the attention of enthusiasts scholars and literateurs to the strange case of the chevalier d Eon He has also attracted the attention of psychologists and sexologists and for most of the last century his gender transformation has been viewed through a Freudian lens His cross dressing it was usually assumed must have a psychosexual explanation Until the second half of the twentieth century the terms Eonist and Eonism were the standard English words for transvestites and transvestism respectively but Eonism was also thanks to Havelock Ellis widely regarded as a psychological condition or compulsion However in the mid twentieth century new ideas about gender identity disorders led to d Eon being redefined not as a transvestite but a transsexual a person who considers their sex to have been misassigned The essays in this collection contribute to d Eon s rehabilitation as a figure worthy of scholarly attention and display a variety of disciplinary approaches Drawing on new research into d Eon s life this volume offers original and nuanced readings of how a gender identity could come to be negotiated over time

Roads Through the Everglades Bruce D. Epperson, 2016-06-21 In 1915 the road system in south Florida had changed little since before the Civil War Travelling from Miami to Ft Myers meant going through Orlando 250 miles north of Miami Within 15 years three highways were dredged and blasted through the Everglades Ingraham Highway from Homestead 25 miles south of Miami to Flamingo on the tip of the peninsula Tamiami Trail from Miami to Tampa and Conners Highway from West Palm Beach to Okeechobee City In 1916 Florida s road commission spent 967 In 1928 it spent 6 8 million Tamiami Trail originally projected to cost 500 000 eventually required 11 million These roads were made possible by the 1920s Florida land boom the advent of gasoline and diesel powered equipment to replace animal and steam powered implements and the creation of a highway funding system based on fuel taxes This book tells the story of the finance and technology of the first modern highways in the South

American Military Police in Europe, 1945-1991 Robert L. Gunnarsson, Sr., 2011-09-29 Military Police units worked to keep the peace in Europe from the occupation after World War II to the end of the Cold War This text examines the MPs from the arrival of the U S Constabulary which was the only law enforcement force on the continent It provides unit histories discusses the advancement of law and order programs and covers the provision of nuclear weapons security customs regulations and traffic enforcement Robert L Gunnarsson Sr served as an MP in the 1960s and later worked in law enforcement He is a writer and researcher

Senator James Eastland Maarten Zwiers, 2015-06-15 In the years following World War II the national Democratic Party aligned its agenda more and more with the goals of the civil rights movement By

contrast a majority of southern Democrats remained as committed as ever to a traditional segregationist ideology Through the career of Senator James Eastland one of the mid century s most prominent politicians author Maarten Zwiers explores the uneasy yet mutually beneficial relationship between conservative southerners and the increasingly liberal party to which they belonged Mississippi Democrat James Big Jim Eastland began an influential four decade career in the United States Senate in 1941 ultimately rising to become president pro tempore of the Senate a position that placed him third in the line of presidential succession His reputation for toughness developed from his unfailing and ruthless opposition to greater civil rights and his concern over the global spread of communism as he believed participants in the two movements were working together to undermine the American way of life Zwiers contends that despite Eastland s extreme positions he still managed to maintain influence through productive relationships with his Senate colleagues liberal as well as conservative Though the progressive wing of the Democratic Party continued to push for stronger civil rights legislation they valued compromise with southern senators like Eastland in order to ensure support from a region the Democrats could ill afford to lose While Eastland s campaigning rhetoric was inflammatory his ability to operate within the national political structure by leveraging moderate concessions contributed to his lengthy and effective career Drawing on recently opened archival records Maarten Zwiers offers a nuanced portrait of a man frequently portrayed as a southern zealot Senator James Eastland provides a case study of the complicated relationship between party and party members that allowed Democrats to maintain power in the South for much of the twentieth century

Selling Yellowstone Mark Daniel Barringer,2002 For as long as they have existed the national parks have been the scene of some of the most intensive commercial activity in the American West Selling Yellowstone recounts the story of such activities in our oldest park from the 1870s through the 1960s It is the first book to examine critically the role of business in the development of America s national parks demonstrating how profit driven entrepreneurs shaped the physical landscape of what is generally perceived as unaltered wilderness Jacket

Like Our Very Own Julie Berebitsky,2000 A fascinating chapter in American social and cultural history Like Our Very Own offers compelling evidence of the role that adoption has played in our evolving efforts to define the meaning and nature of both motherhood and family
