*Historiographies of Game Studies* Alisha Karabinus, 2025-07-25 *Historiographies of Game Studies* offers a first of its kind reflection on how game studies as an academic field has been shaped and sustained Today game studies is a thriving field with many dedicated national and international conferences journals professional societies and a strong presence at conferences in disciplines like computer science communication media studies theater visual arts popular culture and others But when did game studies start And what and who is at the core or center of game studies Fields are defined as much by what they are not as by what they are and their borderlands can be hotly contested spaces In this anthology scholars from across the field consider how the boundaries of game studies have been established codified contested and protected raising critical questions about who and what gets left out of the field Over more than two dozen chapters and interviews with leading figures including Espen Aarseth Kishonna Gray Henry Jenkins Lisa Nakamura Kentaro Matsumoto Ken McAllister and Janet Murray the contributors offer a dazzling array of insightful provocations that address the formation propagation and cultivation of game studies interrogating not only the field's pasts but its potential futures and asking us to think deliberately about how academic fields are collectively built

**Cultural Production in Virtual and Imagined Worlds** Tracey Bowen, Mary-Lou Nemanic, 2009-12-14 *Cultural Production in Virtual and Imagined Worlds* foregrounds how the two important fields of visual culture and Internet culture interact This collection of essays explores the intersections overlaps and disparities in terms of how the two discourses illuminate our everyday negotiations as we become increasingly dependent on the Internet and virtual visual imaginings for constructing who we are What is being examined here are the ways in which we use visual virtual lenses to see the world both individually and collectively This book represents a transnational effort that began as a series of conversations during the Mid Atlantic Popular American Culture conferences

from 2005 2009 The editors a Canadian and an American have included contributors across national and geographic contexts Cultural Production is aimed at raising questions crossing borders and presenting points of departure for future scholarship in the relatively new and very rapidly changing disciplines of visual and virtual cultures Our critical approach to this study includes viewing Internet images as contested sites of cultural activity and also as sites that advance ideologies related to cultural transformation

**The New Media and Cybercultures Anthology** Pramod K. Nayar, 2010-04-26 Moving beyond traditional cyberculture studies paradigms in several key ways this comprehensive collection marks the increasing convergence of cyberculture with other forms of media and with all aspects of our lives in a digitized world Includes essential readings for both the student and scholar of a diverse range of fields including new and digital media internet studies digital arts and culture studies network culture studies and the information society Incorporates essays by both new and established scholars of digital cultures including Andy Miah Eugene Thacker Lisa Nakamura Chris Hables Gray Sonia Livingstone and Espen Aarseth Created explicitly for the undergraduate student with comprehensive introductions to each section that outline the main ideas of each essay Explores the many facets of cyberculture and includes sections on race politics gender theory gaming and space The perfect companion to Nayar's Introduction to New Media and Cyberculture

Transforming a Rape Culture Emilie Buchwald, Pamela R. Fletcher, Martha Roth, 2005 First published in 1993 Transforming a Rape Culture has provided a new understanding of sexual violence and its origins in this culture This groundbreaking work seeks nothing less than fundamental cultural change the transformation of basic attitudes about power gender race and sexuality This new edition includes eight new essays that address topics such as rape as war crime sports and sexual violence sexual abuse among the clergy conflict between traditional mores and women's rights in the Asian American and Latin American communities as well insightful analyses of cyberporn The diverse contributors are activists opinion leaders theologians policymakers educators and authors of both genders An excellent text for undergraduate classes in Women's Studies Family Sociology or Criminal Justice the book is being reissued on the 10th anniversary of the Violence Against Women Act
