Sean, After being hired for my dream job, I move back to the small minded town where I grew up for the job and to finish my degree. I'm surrounded by my past by old classmates, old neighbourhoods and old prejudices against gay people. But on my first day back, my eyes fall on something new around here. A goth guy sitting at the front of the class and I can't keep my eyes off him. Even though I don't know him, I feel like I need to protect him no matter what. Jules, I can't stay in the same place for too long. People start to notice that you don't age that you don't get older and add to that that the chance of vampire hunters finding you gets bigger the longer you stay. I know that I'm running out of time in this town. I need to move on. I just need to finish my degree and then I can leave and start over somewhere else. But when my housemate blood donor turns on me and forces me to leave, I suddenly find myself asking for help from the new guy in our class. Leaving doesn't look as appealing anymore.
