

300 creative writing prompts for kids

Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "I".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

Creative Writing Prompts Kids Blueprint:

Strategic Writing Mini-Lessons for All Students, Grades 4-8 Janet C. Richards, Cynthia A. Lassonde, 2012-11-08

Power up writing instruction with short differentiated lessons. The hard reality: By the time they reach middle school, many of our students still lack basic writing skills and this may be one of their last opportunities to get up to speed before they reach high school. There's no better resource for you to help them do so than *Strategic Writing Mini-Lessons for All Students, Grades 4-8*. Covering all four essential writing strategies: inventing, drafting, writing, and editing, these differentiated mini-lessons follow an easy-to-navigate, consistent structure, including a schematic linking lessons to the grade level goals of the Common Core Adaptations for struggling writers, English Language Learners, and even advanced writers. With every lesson, support for different types of learners is provided through the use of color coding, techniques, charts, art, and other visual tools. Specific guidance on developing your students' confidence as writers and their ability to work independently. Within no time, your students will write with a newfound competence and confidence, better equipped to meet the demands ahead of them. This book is the most useful writing resource I have encountered in all my years of teaching. It is filled with practical strategies to produce writers with high quality work product and high interest in the craft of writing. Linda Sarver, Teacher, Excelsior Springs, MO.

Creative Literacy Story Plans for English GCSE Book One Amanda J. Harrington, 2019-03-30. Creative Literacy Story Plans for English GCSE are an original method to help students face the challenges of the new English Language GCSE creative writing fiction questions. Each section of the book has a Speech and a Structure task which can be combined. Students use the Speech and Structure scenarios to create stories which include set characters. Many students struggle with the basics of writing a story for their exams and then also have a seemingly endless list of requirements from school to help them pass the stringent new guidelines. This book takes away the pressure and allows students to work through lots of story types and scenarios. This means they find out their own strengths and weaknesses without being expected to add every vital component of this section of the exams.

Common Core Literacy Lesson Plans Lauren Davis, 2013-10-11

Schools nationwide are transitioning to the Common Core. Our advice to you: Don't go it alone. Our new book, *Common Core Literacy Lesson Plans Ready to Use Resources K-5*, shows you that teaching the Common Core State Standards in the elementary grades doesn't have to be intimidating. This easy-to-use guide provides model lesson plans for teaching the standards in reading, writing, speaking, listening, and language. Get engaging lesson plans that are grade appropriate, easy to implement, and include ready-to-use reproducible handouts, assessments, resources, and ideas to help you modify the lesson for both struggling and advanced learners. Our Common Core Literacy Lesson Plans are designed to fit seamlessly into your K-5 curriculum. You get practical tips for revamping your existing lessons to meet the standards. Students learn how to read informational texts, write opinion-based essays, and improve their speaking and listening skills. Grammar mini-lessons and foundational skills mini-lessons will help you teach language conventions, phonics, fluency, and more. We take the guesswork out of teaching the Common Core.
