## **Chamorro Dictionary:**

**Chamorro-English Dictionary** Donald M. Topping, Pedro M. Ogo, Bernadita C. Dungca, 1980-04-01 The Chamorro English Dictionary provides an alphabetical listing of as many Chamorro words as could be collected spelled according to the principles adopted by the Marianas Orthography Committee in February 1971 Each word is given a fairly comprehensive definition in English and in many cases sample sentences have been included to illustrate usages in context Cross references are provided among Chamorro words that are semantically related An English Chamorro finder list based on selected words in the English definitions is also provided *Dictionary and Grammar of the Chamorro Language of the Island of Guam* Edward Ritter von Preissig, United States. Navy Department, 1918 Dictionary and Grammar of the Chamorro Language of the Island of Guam by United States Navy Dept Edward Ritter von Preissig first published in 1918 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it The official Chamorro-English dictionary Sylvia M. Flores, Department of Chamorro Affairs. Division of Research, Publication and Training, 2009 *Chamorro-English, English-Chamorro Dictionary*, 1967 **Dictionary and Grammar of the Chamorro Language of the Island of Guam** Edward Ritter von Preissig, 1918 *Dictionary and Grammar of the Chamorro Language of the Island of Guam (Classic Reprint)* Edward Ritter von Preissig, 2016-06-26 Excerpt from Dictionary and Grammar of the Chamorro Language of the Island of Guam Author of Etymological Comparison of the Finn Ugrian and Magyar Idioms Short History of Austria Hungary Political Institutions of the Old World etc That the present work is the first lexicographic record in the English language of the Chamorro idiom Of the Marianas Islands and especially of the island of Guam is submitted as its principal *raison d'être* as well as the author's justification for undertaking a task rendered exceptionally difficult through the paucity of materials on which to base outlines which difficulties were further amplified by the character of the sources at his disposal As stated in the bibliography following only three dictionaries are available at the present time of which the Japanese Chamorro Dictionary contains about 60 very small pages With a vocabulary comprising 30 pages presenting the Chamorro equivalents in phonetic spelling the German Chamorro Dictionary with a vocabulary of 86 pages also adheres to the phonetic spelling and only the Spanish Chamorro Dictionary published in Manila in 1865 maintains the spelling of the Chamorro Words in accordance With the representation used by the Chamorros of the present day a usage which has been transmitted to them through their mothers from generation to generation The fact that there has been great need for a printed record of the Chamorro language is brought into bold View by the evident losses sustained by the spoken language since the comparatively recent date of the

publication of the last mentioned dictionary These losses have forced themselves upon the author s knowledge during his preliminary investigations among the natives When it Was his ever recurring experience to be compelled to abandon Word after Word contained in the Work of the Spanish author for the reason that they were no longer remembered by any of the living Chamorros and although all these words represented upon the most casual etymological investigation the true genius of the old language they have been lost to it forever having apparently died with the last generation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
