Framework Post Apocalyptic Story:

Postapocalyptic Fiction and the Social Contract Claire P. Curtis, 2010-07-17 Postapocalyptic Fiction and the Social Contract We ll Not Go Home Again provides a framework for our fascination with the apocalyptic events The popular appeal of the end of the world genre is clear in movies novels and television shows Even our political debates over global warming nuclear threats and pandemic disease reflect a concern about the possibility of such events This popular fascination is really a fascination with survival how can we come out alive And what would we do next The end of the world is not about species death but about beginning again This book uses postapocalyptic fiction as a terrain for thinking about the state of nature the hypothetical fiction that is the driving force behind the social contract The first half of the book examines novels that tell the story of the move from the state of nature to civil society through a Hobbesian a Lockean or a Rousseauian lens including Lucifer s Hammer by Larry Niven and Jerry Pournelle Alas Babylon by Pat Frank Malevil by Robert Merle and Into the Forest by Jean Hegland The latter half of the book examines Octavia Butler s postapocalyptic Parable series in which a new kind of social contract emerges one built on the fact of human dependence and vulnerability

Narrative in Culture Astrid Erll, Roy Sommer, 2019-07-08 The collection showcases new research in the field of cultural and historical narratology Starting from the premise of the semantisation of narrative forms A N nning it explores the cultural situatedness and historical transformations of narrative with contributors developing new perspectives on key concepts of cultural and historical narratology such as unreliable narration and multiperspectivity The volume introduces original approaches to the study of narrative in culture highlighting its pivotal role for attention memory and resilience studies and for the imagination of crises the Anthropocene and the Post Apocalypse Addressing both fictional and non fictional narratives individual essays analyze the narrative making and unmaking of Europe Brexit and the Postcolonial Finally the collection features new research on narrative in media culture looking at the narrative logic of graphic novels picture books and newsmedia

Environmental Crisis in Young Adult Fiction A. Curry, 2013-02-18 This pioneering study is the first full length treatment of feminism and the environment in children s literature Drawing on the history philosophy and ethics of ecofeminism it examines the ways in which post apocalyptic landscapes in young adult fiction reflect contemporary attitudes towards environmental crisis and human responsibility

Science Fiction as Legal Imaginary

Alex Green, Mitchell Travis, Kieran Tranter, 2024-11-21 This book examines how science fiction informs the legal imagination of technological futures Science fiction the contributors to this book argue is a storehouse of images tropes concepts and memes that inform the legal imagination of the future and in doing so generate impetus for change Specifically the contributors examine how science fictions imagine human life in space in the digital and as formed and negotiated by corporations They then connect this imaginary to how law should be understood in the present and changed for the future Across the chapters there is an urgent sense of the need for law as it is has been and as it might become to order and safeguard the future for a multiplicity of vulnerable entities This book will appeal to scholars and students with interests in law and technology legal theory cultural legal studies and law and the humanities **The Routledge Handbook of**

Violence in Latin American Literature Pablo Baisotti, 2022-02-28 This Handbook brings together essays from an impressive group of well established and emerging scholars from all around the world to show the many different types of violence that have plagued Latin America since the pre Colombian era and how each has been seen and characterized in literature and other cultural mediums ever since This ambitious collection analyzes texts from some of the region s most tumultuous time periods beginning with early violence that was predominately tribal and ideological in nature to colonial and decolonial violence between colonizers and the native population through to the political violence we have seen in the postmodern period marked by dictatorship guerrilla warfare neoliberalism as well as representations of violence caused by drug trafficking and migration The volume provides readers with literary examples from across the centuries showing not only how widespread the violence has been but crucially how it has shaped the region and evolved over time *American Studies in Scandinavia* ,1999 Studies in the Literary Imagination ,2008 Cybersexualities Jenny Wolmark,1999

Cyberspace the cyborg and cyberpunk have given feminists new imaginative possibilities for thinking about embodiment and identity in relation to technology This is the first anthology of the key essays on these potent metaphors Divided into three sections Technology Embodiment and Cyberspace Cybersubjects Cyborgs and Cyberpunks Cyborg Futures the book addresses different aspects of the human technology interface The extensive introduction surveys the ways cyborg and cyberspace metaphors have been used in relation to current critical theory and indicates the context for the specific essays This is an invaluable guide for students studying any aspects of contemporary theory and culture Brings together in a unique collection the work of key authors in feminist and cyber theory Demonstrates the wide range of contemporary critical work Challenges constructions of gender race and class An extensive introduction surveys the ways cyborg and cyberspace metaphors have been used in relation to current critical theory Brief section introductions indicate the context for the specific essays **Postmodernism and the Contemporary Novel** Bran Nicol,2002 Collects together the most important contributions to the theory of the postmodern novel over the last 40 years guiding readers through the complex questions and wide ranging debates **Westerly** ,2017 **Southern Studies** ,2019 An interdisciplinary journal of the South

Science Fiction Studies ,1997 Law and Literature ,2007 **Mosaic** ,2012-06 **The Gothic World of Stephen King** Gary Hoppenstand,Ray Broadus Browne,1987 Stephen King s popularity lies in his ability to reinterpret the standard Gothic tale in new and exciting ways Through his eyes the conventional becomes unconventional and wonderful King thus creates his own Gothic world and then interprets it for us This book analyzes King s interpretations and his mastery of popular literature The essays discuss adolescent revolt the artist as survivor the vampire in popular literature and much more **World Authors 1990-1995** Clifford Thompson,1999 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author s principal works with date first published a list of major critical works and a portrait or photograph where available Papers of the 10th Biennial Conference of the Japanese Studies Association of Australia: Power and culture Japanese Studies Association of Australia. Conference,2000 **The Religion of Science Fiction** Frederick A. Kreuziger,1986 Science fiction captures contemporary sentiment with its faith in a scientific technological future its explorations of the ultimate meaning of man s existence Kreuziger is interested particularly in the apocalyptic visions of science fiction compared to the biblical revelations of John and Daniel For some time our confidence has been placed largely in science which has practically become a religion Science fiction articulates the consequences of a faith in a technological future Filling the Hole in the Nuclear Future Robert Jacobs,2010-04-19 From the dawn of the atomic age art and popular culture have played an essential role interpreting nuclear issues to the public and investigating the implications of nuclear weapons to the future of human civilization Political and social forces often seemed paralyzed in thinking beyond the advent of nuclear weapons and articulating a creative response to the dilemma posed by this apocalyptic technology Art and popular culture are uniquely suited to grapple with the implications of the bomb and the disruptions in the continuity of traditional narratives about the human future endemic to the atomic age Filling the Hole in the Nuclear Future explores the diversity of visions evoked in American and Japanese society by the mushroom cloud hanging over the future of humanity during the last half of the twentieth century It presents historical scholarship on art and popular culture alongside the work of artists responding to the bomb as well as artists discussing their own work From the effect of nuclear testing on sci fi movies during the mid fifties in both the U S and Japan to the socially engaged visual discussion about power embodied in Japanese manga Filling the Hole in the Nuclear Future takes readers into unexpected territory
