

3 Life-Changing Realizations

There are 3 profound realizations I've had on my journey that changed my life dramatically for the better.

I'm giving you those 3 x FUNDAMENTAL LIFE CHANGING REALIZATIONS here in this guide.

Please take each of the 3 messages and consider them closely, because they can (if you're willing) have the same powerfully positive impact in your life as they did in mine, and in so many other people's lives in our community!

Now, let's dive in with #1 below...

♥ FUNDAMENTAL LIFE CHANGING REALIZATION #1

No one sees life like you do. No one thinks like you do. No one hears the world like you do...

There is no one else who experiences life the same way as you, according to your "model of reality".

In fact, there is NO single version of reality, because everyone is experiencing life through their own unique paradigm.

Your paradigm is entirely based on what you believe, and how you perceive, filter and interpret life according to those beliefs.

Your paradigm is like a pair of tinted glasses you wear, which changes "what is" into what you accept as life.

Sometimes that works for you, and you perceive/interpret positively and you feel great.

Other times that does not work for you AT ALL. You perceive/interpret in a way that creates negative thought patterns, difficult emotions and behavior/actions that aren't helping you live the way you want to.

This can keep you stuck in patterns that hold you back and can limit your inner peace and happiness.
