A World Made Sexy Paul Rutherford, 2007 The cult of eroticism is a pervasive

force in modern society affecting almost every aspect of our daily lives In this book Paul Rutherford argues that this phenomenon is a product of one of the major commercial and political enterprises of the twentieth and twenty first centuries the creation of desire for sex for wealth and for entertainment A World Made Sexy examines museum exhibitions art books magazines films and television to explore the popular rise of eroticism in America and across the developed world Starting with a brief foray into the history of pornography Rutherford goes on to explore a sexual liberation movement shaped by the ideas of Marx and Freud the erotic styles of Salvador Dali and pop art the pioneering use of publicity as erotica by Playboy and other media and the growing concerns of cultural critics over the emergence of a regime of stimulation In one case study Rutherford pairs James Bond and Madonna in order to examine the link between sex and aggression He details how television advertising after 1980 constructed a theatre of the libido to entice the buying public and concludes by situating the cultivation of eroticism in the wider context of Michel Foucault's views on social power and governmentality and specifically how they relate to sexuality during the modern era A World Made Sexy is about power and pleasure emancipation and domination and the relationship between the personal passions and social controls that have crafted desire

Enterprise Zones Taylor Harrison, 1996-08-08 A critical assessment of the TV series star trek [The Interactive President](#) David Michael Ryfe, 1997 *Contemporary Social and Political Theory* Fidelma Ashe, 1998 the book is excellent and should do really well It is well written and comprehensive and it meets the needs of sociologists John Scott University of Essex What have been the major innovations in contemporary social and political thought in the twentieth century How have these ideas challenged the canon What are the implications of these new ideas for our understanding of the key theoretical concepts This new and accessible introduction to contemporary social and political theory examines the impact of new ideas such as feminist theory poststructuralism hermeneutics and critical theory The innovations brought by these currents to the intellectual traditions of Europe and America are outlined and assessed Designed for the newcomer to theory no previous knowledge is assumed and a student friendly approach is adopted throughout Rather than focus on individual thinkers the authors take a conceptual approach by examining contemporary theories through themes such as critique rationality power the subject the body and culture Each chapter considers the evolution of a concept and examines the major debates and transformations that have taken place in that area The needs of the undergraduate are kept in mind at all times and in addition to an extensive bibliography the book contains a useful glossary of key terms and concepts
