

The present research is only a start.

"We have to encourage publishers to do more to support and give more information about their publications. In particular, they will have to be encouraged to do more to encourage the use of the *Journal of Clinical Psychology* in helping to give guidance and support to the health professionals who provide specialist psychiatric services. I would like to thank you all for your support and encouragement. Finally, I would like to thank you all for the support and encouragement that you have given me in this endeavour."
