Concerning Christian Liberty - the Original Classic Edition Martin Luther,2012-06 Finally available a high quality book of the original classic edition of Concerning Christian Liberty This is a new and freshly published edition of this culturally

important work by Martin Luther which is now at last again available to you Enjoy this classic work today These selected paragraphs distill the contents and give you a quick look inside Concerning Christian Liberty For since Christ is God and man and is such a Person as neither has sinned nor dies nor is condemned nay cannot sin die or be condemned and since His righteousness life and salvation are invincible eternal and almighty when I say such a Person by the wedding ring of faith takes a share in the sins death and hell of His wife nay makes them His own and deals with them no otherwise than as if they were His and as if He Himself had sinned and when He suffers dies and descends to hell that He may overcome all things and since sin death and hell cannot swallow Him up they must needs be swallowed up by Him in stupendous conflict This the spirit of faith cannot and will not bear but applies itself with cheerfulness and zeal to keep it down and restrain it as Paul says I delight in the law of God after the inward man but I see another law in my members warring against the law of my mind and bringing me into captivity to the law of sin Rom vii 22 23 and again I keep under my body and bring it unto subjection lest that by any means when I have preached to others I myself should be a castaway 1 Cor ix 27 and They that are Christs have crucified the flesh with the affections and lusts Gal v Since then works justify no man but a man must be justified before he can do any good work it is most evident that it is faith alone which by the mere mercy of God through Christ and by means of His word can worthily and sufficiently justify and save the person and that a Christian man needs no work no law for his salvation for by faith he is free from all law and in perfect freedom does gratuitously all that he does seeking nothing either of profit or of salvation since by the grace of God he is already saved and rich in all things through his faith but solely that which is well pleasing to God Pauls meaning is this Christ when He was full of the form of God and abounded in all good things so that He had no need of works or sufferings to be just and saved for all these things He had from the very beginning yet was not puffed up with these things and did not raise Himself above us and arrogate to Himself power over us though He might lawfully have done so but on the contrary so acted in labouring working suffering and dying as to be like the rest of men and no otherwise than a man in fashion and in conduct as if He were in want of all things and had nothing of the form of God and yet all this He did for our sakes that He might serve us and that all the works He should do under that form of a servant might become ours For the Christian freeman will speak thus I will fast I will pray I will do this or that which is commanded me by men not as having any need of these things for justification or salvation but that I may thus comply with the will of the Pope of the bishop of such a community or such a magistrate or of my neighbour as an example to him for this cause I will do and suffer all things just as Christ did and suffered much more for me though He needed not at all to do so on His own account and made Himself for my sake under the law when He was not under the law

Concerning Christian Liberty Luther,2018-03-15 Among those monstrous evils of this age with which I have now for three years been waging war I am sometimes compelled to look to you and to call you to mind most blessed father Leo In truth since you alone are everywhere considered as being the cause of my engaging in war I cannot at any time fail to remember you and although I have been compelled by the causeless raging of your impious flatterers against me to appeal from your seat to a future council fearless of the futile decrees of your predecessors Pius and Julius who in their foolish tyranny prohibited such an action yet I have never been so alienated in feeling from your Blessedness as not to have sought with all my might in diligent prayer and crying to God all the best gifts for you and for your see But those who have hitherto endeavoured to terrify me with the majesty of your name and authority I have begun quite to despise and triumph over We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast
