**Black Female Sexualities** Trimiko Melancon, Joanne M. Braxton, 2015-01-26 Western culture has long regarded black female sexuality with a strange mix of fascination and condemnation associating it with everything from desirability hypersexuality and liberation to vulgarity recklessness and disease Yet even as their bodies and sexualities have been the subject of countless public discourses black women s voices have been largely marginalized in these discussions In this groundbreaking collection feminist scholars from across the academy come together to correct this omission illuminating black female sexual desires marked by agency and empowerment as well as pleasure and pain to reveal the ways black women regulate their sexual lives The twelve original essays in Black Female Sexualities reveal the diverse ways black women perceive experience and represent sexuality The contributors highlight the range of tactics that black women use to express their sexual desires and identities Yet they do not shy away from exploring the complex ways in which black women negotiate the more traumatic aspects of sexuality and grapple with the legacy of negative stereotypes Black Female Sexualities takes not only an interdisciplinary approach drawing from critical race theory sociology and performance studies but also an intergenerational one in conversation with the foremothers of black feminist studies In addition it explores a

diverse archive of representations covering everything from blues to hip hop from Crash to Precious from Sister Souljah to Edwidge Danticat Revealing that black female sexuality is anything but a black and white issue this collection demonstrates how to appreciate a whole spectrum of subjectivities experiences and desires    **A Moment of Silence** Sister Souljah,2016-10-04 Having returned from a worldwide journey to reclaim his wife Akemi Midnight returns to Queens where he hopes to create a new less tumultuous life with his love But things fall apart when violence targets his younger sister Naja Forsaking his usual control the ninja warrior kills his sister s attacker in cold blood forcing him on the run and into the only shelter he can find a seedy money laundering ring whose members are in league with the police Though Midnight is promised temporary refuge he s soon recognized for the murder of Naja s attacker and lands in jail Separated from his love his city and his family Midnight must cling to his Muslim beliefs to stay strong But soon enough he meets Ricky Santiaga the man who will become his leader and father figure and perhaps his only hope    *The Cultivator & Country Gentleman* ,1873

**#MeToo and Literary Studies** Mary K. Holland,Heather Hewett,2021-09-23 Literature has always recorded a history of patriarchy sexual violence and resistance Academics have been using literature to expose and critique this violence and domination for half a century But the continued potency of MeToo after its 2017 explosion adds new urgency and wider awareness about these issues while revealing new ways in which rape culture shapes our everyday lives This intersectional guide helps readers students teachers and scholars face and challenge our culture of sexual violence by confronting it through the study of literature MeToo and Literary Studies gathers essays on literature from Ovid to Carmen Maria Machado by academics working across the United States and around the world who offer clear ways of using our reading teaching and critical practices to address rape culture and sexual violence It also examines the promise and limitations of the MeToo movement itself speaking to the productive use of social media as well as to the voices that the movement has so far muted In uniting diverse voices to enable the MeToo movement to reshape literary studies this book is also committed to the idea that the way we read and write about literature can make real change in the world    *Reading is My Window* Megan Sweeney,2010 Drawing on extensive interviews with ninety four women prisoners Megan Sweeney examines how incarcerated women use available reading materials to come to terms with their pasts negotiate their present experiences and reach toward different futures    **1st -12th Annual Report of the United States Geological and Geographical Survey of the Territories** ...
