**Cooking Essentials for the New Professional Chef** CIA Staff,    **Classic Koffmann** Pierre Koffmann,2025-10-14 A FRENCH CULINARY CLASSIC REISSUED Winner Cooking from a Professional Point of View James Beard Foundation Awards 2017 Winner Best French Cuisine Book Gourmand World Cookbook Awards 2016 Classic Koffmann offers a masterclass in all that's best in the French culinary tradition and is a must have cookery book There's no doubt that

it's Pierre Koffmann the three Michelin starred chef who is the granddaddy of French cuisine in Britain. This book celebrates his career in the kitchen with a superlative collection of his classic recipes. Ranging as you would expect from Entrees to Desserts and everything in between. Classic Koffmann is a worthy successor to Pierre's *Memories of Gascony* which earned him the prestigious Glenfiddich Award in 1990. As if its collection of over 100 star recipes from the master chef wasn't enough, Classic Koffmann is also beautifully illustrated with photography by master photographer David Loftus. What's more, having been described as the chef of chefs and the chef all other chefs look up to, it's no surprise that many of his protégés the likes of Marco Pierre White, Gordon Ramsey, Bruno Loubet, Tom Aikens, William Curley, Helena Puolakka, Tom Kitchin, Eric Chavot, Paul Rhodes have declared themselves honoured to contribute to this epoch making book. This younger generation of chefs who are all culinary luminaries in their own right have added their own special stories of their training with Pierre, the insights they gained from him and, of course, their paeans of praise for the man who set them on their path in the world of cooking. A masterclass in all that's best in the French culinary tradition.
