

FIRE ENGINEERING'S

FIREFIGHTER I AND II

BY ANTHONY AVILLO AND JAMES KIRSCH

The image shows the silhouettes of four firefighters in the foreground, looking towards a massive fire. The fire is a large, intense orange and yellow flame that fills much of the upper half of the frame. The firefighters are wearing helmets and gear, and their forms are dark against the bright light of the fire. The overall scene is dramatic and emphasizes the scale of the fire compared to the human element.
