In order to do so it examines a wide range of fan video genres and practices including vidding, reaction videos, self-insert TikToks, ASMR videos, Let's Play videos, streams, Bilibili videos, gif loops, fan films, crack videos, animatics, collection videos, deepfakes, fake trailers, and fan video essays among others. It features chapters by a range of scholars working in the intersecting fields of digital media studies, fan studies, media studies, cultural studies, audience studies, video game studies, transcultural studies, and videographic studies. A field defining collection this Handbook will be of interest to students and scholars of digital media studies, fan studies, media studies, cultural studies, videographic studies, and beyond.
