## Reliability

At Carrier, your comfort is our  
business. That's why we have one  
of the most extensive product  
research and development facilities  
in the world, location every step of  
the development process. From the  
design phase to research and  
test, research and every product  
is produced including standard  
heat pumps. In fact, Carrier  
engineering has the reliability of  
the best engineering no other  
product can. That's why when  
you buy the industry's standard  
of 300,000 cycles.

## Safety

Made by the most reliable name in the industry, Carrier furnaces heat safely with your  
home. Carrier implemented the following safety improvements:

**Hot surface ignition system** eliminates  
the need for a pilot light, reducing gas  
usage and preventing safety issues.

**Two control board redundancy** insures  
the safety devices during heating  
operation. If a safety device activates  
for any reason, the furnace will continue  
operation until a safety code will be  
eliminated on the furnace control board,  
insuring your family's continued protection.
