Are you mystified by hashtags, retweets, and other strange conventions? The revised and expanded third edition of Twitter In 30 Minutes is here to help. This unofficial Twitter tutorial will walk you through the basics using plain English step-by-step instructions and lots of examples from real Twitter users. In no time you'll learn how to Create a new Twitter account online or on your phone. Customize your Twitter profile with photos and a bio that's right for you. Navigate Twitter icons, the Twitter app, and Twitter.com. Follow other Twitter accounts and block those you don't like. Identify local people and organizations using Twitter. Find people who share the same interests and hobbies. Compose your first Tweets. Share photos. Use hashtags, retweets, and other Twitter conventions. There's more: Twitter In 30 Minutes shows you how all kinds of people use Twitter to promote their businesses, connect with their followers, explore their interests, and have fun. It's peppered with real-world examples from everyday people to celebrities. Authored by award-winning technology journalist Ian Lamont, the revised third edition of Twitter In 30 Minutes covers Twitter's new interface for the Web and mobile devices such as the iPhone and Android phones. There are new screenshots along with instructions for registration on iOS and Android devices. Twitter In 30 Minutes is a perfect introduction to people who are new to Twitter as well as those who already have accounts and want to learn how to get the most out of Twitter. Buy the book today! Here's what real readers are saying about **TWITTER IN 30 MINUTES**: I quickly set up a Twitter account and started using it within a half hour. I would recommend this book for anyone who doesn't have a Twitter account for those who do have one but aren't actively using it and for those who aren't quite sure how to get the most out of their account. Though I have been using Twitter for some time now, I still learned a thing or two from reading this. Clarified any issues I had or concerns and listed some excellent precautions. Perfect introduction to Twitter. Quick and easy read with lots of photos. I finally understand the I've been tweeting for over a year but learned a lot of helpful details I hadn't been aware of until now. Lots of easy-to-understand info and good instructions with screenshots that make it easy to understand. Thanks for the help and making Twitter even more fun. Just the quick light intro I wanted. No annoying bits of philosophy. Some careful warnings about privacy and courtesy are included. You really can skim it in 30 minutes. Easy to read and actually fun to fire up my Twitter account and play along with each chapter. Everyone has 30 spare minutes spread out over a week if not a day to read this guide. [Twitter](#) Dhiraj Murthy, 2018-03-02 Twitter is a household name discussed for its role in national elections, natural disasters, and political movements, as well as for what some malign as narcissistic chatter. The first edition of Murthy's balanced and incisive book pioneered the study of this medium as a serious platform worthy of scholarly attention. Much has changed since Twitter's infancy, although it is more relevant than ever to our social, political, and economic lives. This timely second edition shows how Twitter has evolved and how it is used today. Murthy introduces some of the historical context that gave birth to the platform while providing up-to-date examples such as the Black Lives Matter movement and Donald Trump's use of Twitter in the US.

election The chapters on journalism and social movements have been thoroughly updated and completely new to this edition is a chapter on celebrities and brands Seeking to answer challenging questions around the popular medium the second edition of Twitter is essential reading for students and scholars of digital media
