Julie Wilder, 2020-10-04. Have you ever wondered, "Am I a witch?" If so, I've got news for you. You are that is you are if you want to be. You are inherently powerful. You were plopped down on this big, beautiful planet with a whole bunch of natural abilities, desires, and I'm just going to say it: magical powers. Maybe you've known you were a witch for awhile, or maybe you are brand new to this whole witchcraft thing. Either way, this book is meant to introduce you to over thirty different types of witches and show you where you fit in. Each entry breaks down what each type of witch is, what kind of magic they typically practice, and what their greatest strengths are. Many witches find that they are a unique combination of these types, and this versatility will allow them to explore a variety of magical paths throughout their lives. You change, so will your witchcraft. That's why this book includes exercises to pinpoint what kind of magic you gravitate toward by looking at things like where you live, what you do for fun, and even what TV shows you watch. There's also a section with simple spells created to show you what kind of witch you are using magical tools like tarot cards, candle magic, and crystal magic. You are a living, growing, magical being, and these spells and exercises will give you the tools you need to keep you thriving as you explore your witchcraft.
